endorsement to this little Book of Poems because I believe it will do its part to awaken the Muse of Poetry which I am sure slumbers in very many of the Sons and Daughters of the Race of which the Author of this work is a representative The Negro's right to be considered worthy of recognition in the field of poetic effort is not now gainsaid as formerly and each succeeding effort but emphasizes his right to just consideration The hope I have is that this Volume of Poems may fall among the critical and intelligent who will accord the just meed of praise or of censure to the end that further effort may be stimulated no matter what the verdict The readers I trust will find as much to praise and admire as have I done About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
