MacArthur Of The Philippines Paperback:

MacArthur in the Pacific Michael Green,1996 **U.S. Army Special Operations in World War II (Paperback format only)** , **The War in the Pacific: Fall of the Philippines (Paperback)** , *Waiting for General MacArthur* ,

MacArthur and Defeat in the Philippines Richard Connaughton,2003-05-27 For many Douglas MacArthur was a general to be ranked with Grant and Lee for others he was much bluster and some cowardice the Dugout Doug who abandoned his troops at Corregidor The truth according to military historian Richard Connaughton lies somewhere in the middle MacArthur and Defeat in the Philippines is a judicious and hard headed portrait of a courageous general and deeply flawed man [My MacArthur](#) Cindy Fazzi,2018-11-15 **Fighting for MacArthur** John Gordon,2017-02-15 For the first time the story of the Navy and Marine Corps in the 1941 42 Philippine campaign is told in a single volume Drawing on a rich collection of both U S and recently discovered Japanese sources as well as official records and wartime diaries Gordon chronicles the Americans desperate defense of the besieged islands Gordon offers updated information about the campaign during which the Navy and Marines fighting in what was largely an Army operation performed some of their most unusual missions of the entire Pacific War He also explains why the Navy s relationship with Gen Douglas MacArthur became strained during this campaign and remained so for the rest of the war As a result of Gordon s extensive primary source research **Fighting for MacArthur** presents the most complete account of the dramatic efforts by elements of the Navy and Marine Corps to support the U S Army s ill fated defense of the Philippines **MacArthur in Asia** Hiroshi Masuda,2012-11-15 General Douglas MacArthur s storied career is inextricably linked to Asia His father Arthur served as Military Governor of the Philippines while Douglas was a student at West Point and the younger MacArthur would serve several tours of duty in that country over the next four decades becoming friends with several influential Filipinos including the country s future president Emanuel L Quezon In 1935 he became Quezon s military advisor a post he held after retiring from the U S Army and at the time of Japan s invasion of 1941 As Supreme Commander for the Southwest Pacific MacArthur led American forces throughout the Pacific War He officially accepted Japan s surrender in 1945 and would later oversee the Allied occupation of Japan from 1945 to 1951 He then led the UN Command in the Korean War from 1950 to 1951 until he was dismissed from his post by President Truman In **MacArthur in Asia** the distinguished Japanese historian Hiroshi Masuda offers a new perspective on the American icon focusing on his experiences in the Philippines Japan and Korea and highlighting the importance of the general s staff the famous Bataan Boys who served alongside MacArthur throughout the Asian arc of his career to both MacArthur s and the region s history First published to wide acclaim in Japanese in 2009 and translated into English for the first time this book uses a wide range of sources American and Japanese official records and oral histories to present a complex view of MacArthur one that illuminates his military decisions during the Pacific campaign and his administration of the Japanese Occupation **Douglas MacArthur** Arthur Herman,2017-03-28 A new definitive life of an American icon the

visionary general who led American forces through three wars and foresaw his nation's great geopolitical shift toward the Pacific Rim from the Pulitzer Prize finalist and bestselling author of *Gandhi* Churchill Douglas MacArthur was arguably the last American public figure to be worshipped unreservedly as a national hero the last military figure to conjure up the romantic stirrings once evoked by George Armstrong Custer and Robert E Lee But he was also one of America's most divisive figures a man whose entire career was steeped in controversy Was he an avatar or an anachronism a brilliant strategist or a vainglorious mountebank Drawing on a wealth of new sources Arthur Herman delivers a powerhouse biography that peels back the layers of myth both good and bad and exposes the marrow of the man beneath MacArthur's life spans the emergence of the United States Army as a global fighting force Its history is to a great degree his story The son of a Civil War hero he led American troops in three monumental conflicts World War I World War II and the Korean War Born four years after Little Bighorn he died just as American forces began deploying in Vietnam Herman's magisterial book spans the full arc of MacArthur's journey from his elevation to major general at thirty eight through his tenure as superintendent of West Point field marshal of the Philippines supreme ruler of postwar Japan and beyond More than any previous biographer Herman shows how MacArthur's strategic vision helped shape several decades of U S foreign policy Alone among his peers he foresaw the shift away from Europe becoming the prophet of America's destiny in the Pacific Rim Here too is a vivid portrait of a man whose grandiose vision of his own destiny won him enemies as well as acolytes MacArthur was one of the first military heroes to cultivate his own public persona the swashbuckling commander outfitted with Ray Ban sunglasses riding crop and corncob pipe Repeatedly spared from being killed in battle his soldiers nicknamed him Bullet Proof he had a strong sense of divine mission Mac was a man possessed in the words of one of his contemporaries of a supreme and almost mystical faith that he could not fail Yet when he did it was on an epic scale His willingness to defy both civilian and military authority was Herman shows a lifelong trait and it would become his undoing Tellingly MacArthur once observed Sometimes it is the order one disobeys that makes one famous To capture the life of such an outsize figure in one volume is no small achievement With Douglas MacArthur Arthur Herman has set a new standard for untangling the legacy of this American legend Praise for Douglas MacArthur This is revisionist history at its best and hopefully will reopen a debate about the judgment of history and MacArthur's place in history New York Journal of Books Unfailingly evocative close to an epic More than a biography it is a tale of a time in the past almost impossible to contemplate today as having taken place with MacArthur himself as a figure perhaps too remote to understand but all the more important to encounter The New Criterion With Douglas MacArthur American Warrior the prolific and talented historian Arthur Herman has delivered an expertly rendered compulsively readable account that does full justice to MacArthur's monumental achievements without slighting his equally monumental flaws Commentary **Twice Honored** Kenneth R. Young, 2012-02 *US Army in World War II, War in the Pacific, Triumph in the Philippines (Paperback)* Defense Dept., Army, Center of Military History , **MacArthur's Spies**

Peter Eisner, 2018-05-01 MacArthur's Spies reads like Casablanca set in the Pacific filled with brave and daring characters caught up in the intrigue of war and the best part is that it's all true Tom Maier author of Masters of Sex A thrilling story of espionage daring and deception set in the exotic landscape of occupied Manila during World War II On January 2 1942 Japanese troops marched into Manila unopposed by U S forces Manila was a strategic port a romantic American outpost and a jewel of a city Tokyo saw its conquest of the Philippines as the key in its plan to control all of Asia including Australia Thousands of soldiers surrendered and were sent on the notorious eighty mile Bataan Death March But thousands of other Filipinos and Americans refused to surrender and hid in the Luzon hills above Bataan and Manila MacArthur's Spies is the story of three of them and how they successfully foiled the Japanese for more than two years sabotaging Japanese efforts and preparing the way for MacArthur's return From a jungle hideout Colonel John Boone an enlisted American soldier led an insurgent force of Filipino fighters who infiltrated Manila as workers and servants to stage demolitions and attacks Chick Parsons an American businessman polo player and expatriate in Manila was also a U S Navy intelligence officer He escaped in the guise of a Panamanian diplomat and returned as MacArthur's spymaster coordinating the guerrilla efforts with the planned Allied invasion And finally there was Claire Phillips an itinerant American torch singer with many names and almost as many husbands Her nightclub in Manila served as a cover for supplying food to Americans in the hills and to thousands of prisoners of war She and the men and women who worked with her gathered information from the collaborating Filipino businessmen the homesick English speaking Japanese officers and the spies who mingled in the crowd Readers of Alan Furst and Ben Macintyre and anyone who loves Casablanca will relish this true tale of heroism when it counted the most The Sinews of War James A. Huston, 1966 US Army in WW2: War Department, Strategic Planning for Coalition Warfare (Hardcover format only) , This volume deals with strategic planning in the midwar era from January 1943 through the summer of 1944 This is the story of the hopes fears struggles frustrations and triumphs of the Army strategic planners coming to grips with the problems of the offensive phase of coalition warfare Basic to this story is the account of planning by General George C Marshall and his advisers in the great debate on European strategy which followed the Allied landings in North Africa and continued to the penetration of the German frontier in September 1944 During this period the great international conferences from Casablanca in January 1943 to the second Quebec in September 1944 were held and the Allies formulated the grand strategy of military victory The volume follows the plans issues and decisions to the end of the summer of 1944 when the problems of winning the war began to come up against the challenges of victory and peace and a new era was beginning for the Army Chief of Staff and his advisers Military soldiers veterans especially World War II veterans and their families and students studying World War II may enjoy reading this primary source document that accounts the leadership and strategy during World War Two years 1943 1944 Related products United States Army in World War 2 War Department Global Logistics and Strategy 1940 1943 is available here <https://bookstore.gpo.gov/products/sku/008>

029 00056 3 Commanding Generals and Chiefs of Staff 1775 2010 Portraits Biographical Sketches of the United States Army's Senior Officer is available here <https://bookstore.gpo.gov/products/sku/008-029-00538-7> Secretaries of War and Secretaries of the Army Portraits Biographical Sketches 2010 is available here <https://bookstore.gpo.gov/products/sku/008-029-00537-9> World War II resources collection can be found here <https://bookstore.gpo.gov/catalog/us/military/history/battles/wars/world-war-ii>

Getting the Message Through: A Branch History of the U.S. Army Signal Corps (Paperback) Rebecca R.

Raines, Center of Military History, 1996-06-19 CMH Pub 30 17 Army Historical Series Traces the history of the United States Signal Corps from its beginnings on the eve of the American Civil War through its participation in the Persian Gulf conflict during the early 1990s Shows today's signal soldiers where their branch has been and points the way to where it is going

Armor, 2009 Pilipinas, 1994 **Annotated Bibliography of Works About Sir Winston S. Churchill** Curt

Zoller, Richard M. Langworth, 2015-06-01 This unique resource will be an enormous aid and impetus to Churchill studies It lists over 600 works with annotations and includes sections listing an additional 5 900 entries covering book reviews significant articles and chapters from books Separate author and title indexes will allow the user to locate specific entries The book's aim is to direct students researchers and bibliophiles to the entire corpus of works about Churchill

Sino-American Relations R. Sinha, 2003-06-10 Presenting a trenchant critique of America's political culture and its China policy Radha Sinha explains the reasons for the mismatch between professed American values and the practice of statecraft by the American power elite He examines the ways in which their relentless search for enemies has led the United States to violate the norms of international law at will thus causing increasing disenchantment sometimes bordering on hatred

Cinema of the Philippines Bryan L. Yeatter, 2007-01-01 Although Filipino cinema dates to the early silent era and shares many characteristics with Western film it has frequently been ignored by Western critics and audiences This book offers a rare study of cinema in the Philippines The first half of the work presents a history Chapters cover lost pre World War II films the postwar cinema boom the Philippines unique relationship with the United States and its manifestation on film and Filipino cinema's decline The second half of the book is the most comprehensive published filmography of Filipino cinema to date

Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Macarthur Of The Philippines Paperback eBooks, including some popular titles.

FAQs About Macarthur Of The Philippines Paperback Books

What is a Macarthur Of The Philippines Paperback PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Macarthur Of The Philippines Paperback PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Macarthur Of The Philippines Paperback PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Macarthur Of The Philippines Paperback PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Macarthur Of The Philippines Paperback PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
