Unlike some other reproductions of classic texts 1 We have not used OCR Optical Character Recognition as this leads to bad quality books with introduced typos 2 In books where there are images such as portraits maps sketches etc We have endeavoured to keep the quality of these images so they represent accurately the original artefact Although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for future generations to enjoy Macaulay's Essays on Milton and Addison (Classic Reprint) Thomas Babington Macaulay, 2017-11-21 Excerpt from Macaulay's Essays on Milton and Addison Owing to the fact that two well edited books of Macaulay's Essays have already appeared in this series each containing information and suggestions common to all of his essays it does not seem necessary that any part of that same matter should be repeated in this volume A further reason for brevity in introduction is that the two essays here chosen swell the size of the book beyond that of most of the other numbers of the series About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
