The SAGE Encyclopedia of Terrorism, Second Edition Gus Martin, 2011-06-15 Six years after publication of the first edition of the best selling Encyclopedia of Terrorism much has changed on the national security scene Despite the dark promises of Osama bin Laden following the 9 11 attacks the United States has not experienced any major domestic terror incidents Al Qaeda itself is believed to be a severely crippled organization But while U S wars in Afghanistan and Iraq not to mention the arrival of the Obama administration a new balance of power within Congress and an increasingly fragile economic picture have significantly affected the national security picture the threat of economic chaos and massive loss of life due to terror attacks has not abated Indeed in July 2008 analysts pointed out that even a relatively small terrorist organization could present a dire threat with some experts arguing that a biological chemical or even nuclear attack on a major U S city is all but inevitable In this highly charged rapidly shifting environment we are pleased to present the The SAGE Encyclopedia of Terrorism Second Edition a thoroughly updated and expanded edition of the original highly regarded reference work Nearly 100 000 words of new material will be added along with fully updated original entries and expanded coverage New introductory essays will explore the impact of terrorism on economics public health religion and even pop culture Ethical issues such as the role of torture in interrogations competing notions of security versus liberty and the debates over FISA legislation and Guantanamo Bay will also be covered Two dozen entries on significant recent events such

as the London bombings Chechen attacks on Russian interests and the rescue of Ingrid Bettancourt and some 60 additional new entries will restore the work as an up to the minute natural first stop for researchers *The Recruit* Brad

Taylor,2015-05-05 This thrilling short story from New York Times bestselling author Brad Taylor features Taskforce operators Knuckles and Decoy who stumble upon an audacious plot when they least expect it When Taskforce operator Knuckles brings his old friend Decoy a former teammate from the Navy SEALs to Lima Peru he wonders if he s made a mistake Knuckles only objective is to assess Decoy s covert surveillance skills on an orientation deployment the final step before any recruit is accepted into the extralegal counterterrorist organization known as the Taskforce Just when Decoy s wild side threatens to expose their cover as technicians working for the embassy and derail his chances of becoming a full member of the Taskforce the two uncover an unexpected piece of intelligence involving the terrorist group the Shining Path that causes their mission to go from evaluation to operational With no backup and a flimsy cover story Knuckles and Decoy find themselves in murky territory relying on the help of an untried asset to prevent a devastating attack on countless innocents Includes an excerpt of the Pike Logan novel *The Forgotten Soldier* **The Literary Digest** Edward Jewitt
