Western Political Thought Robert Eccleshall,Michael Kenny,1995 This is a guide to the vast amount of literature on the history of political thought which has appeared in English since 1945 The editors provide an annotation of the content of many entries and where appropriate indicate their significance controversial nature and readability Political Thought From Machiavelli to Stalin E. A. Rees,2004-03-12 This is the first book in English to explore the relationship between Stalin s ideas and methods and the practices advocated by Machiavelli and those associated with Machiavellian politics It advances the concept of revolutionary Machiavellism as a way of understanding a particular strand of revolutionary thought from the Jacobins through to Leninism and Stalinism By providing a wide ranging survey of European political thought in the Nineteenth and early Twentieth century E A Rees locates the Bolshevik tradition within the wider European tradition **A History of Western Political Thought** J. S. McClelland,Dr J S McClelland,2005-07-15 A History of Western Political Thought is an energetic and lucid account of the most important political thinkers and the enduring themes of the last two and a half millennia Written with students of the history of political thought in mind the book traces the development of political thought from Ancient Greece to the late twentieth century focuses on individual thinkers and texts includes 40 biographies of key political thinkers offers original views of theorists and highlights those which may have been unjustly neglected develops the wider themes of political thought and the relations between thinkers over time *Western Political Thought* Deepan Das,2019-01-01 A text book of Political Science written by Dr Deepan Das Asstt Prof Deptt of Political Science R G Baruah College Guwahati as per the new Semester System of Degree Course of Dibrugarh University Guwahati University and North Eastern Hill University *Machiavelli* Anthony Russo, Machiavelli Unraveling Power and Politics explores the enduring influence of Niccol Machiavelli one of history s most enigmatic and provocative political thinkers Written for readers interested in political theory history and the dynamics of power this book offers a comprehensive examination of Machiavelli s life his writings and his profound impact on both historical and contemporary political landscapes Through a captivating narrative the book delves into Machiavelli s early life and experiences as a diplomat in Renaissance Florence shedding light on the context in which his groundbreaking ideas emerged From his seminal work *The Prince* to his lesser known writings readers are invited to engage with Machiavelli s complex political philosophy which challenged the traditional notions of virtue morality and leadership His pragmatism which emphasizes the pursuit of power and stability over ideological purity has left a lasting imprint on political strategies employed by rulers and leaders across

centuries In addition to analyzing his famous works the book also examines Machiavelli s relevance in contemporary politics the ethics of his ideas and the role of military power in his vision of governance Through rich historical context and practical examples Machiavelli Unraveling Power and Politics demonstrates how his concepts continue to shape modern political strategies and power dynamics from authoritarian regimes to democratic systems Whether you are a student of political philosophy a history enthusiast or simply intrigued by the complexity of political power this book offers invaluable insights into the life and legacy of Niccol Machiavelli By the end readers will gain a deeper understanding of how Machiavelli s ideas continue to influence global politics and leadership practices to this day

The Structure of Political Thought Charles N. R. McCoy,2017-07-05 Originally published in 1963 this classic book is a rethinking of the history of Western political philosophy Charles N R McCoy contrasts classical medieval principles against the hypotheses at the root of modern liberalism and modern conservatism In Part I The Classical Christian Tradition from Plato to Aquinas the author lays the foundation for a philosophical structure capable of producing constitutional liberty Part II The Modern Theory of Politics from Machiavelli to Marx attempts to show beginning with Machiavelli the reversal and destruction of the pre modern structure postulated in Part I McCoy stresses the great contributions of Aristotle to political thought found in his more familiar Ethics and Politics but also includes key insights drawn from Metaphysics and Physics These contributions are developed and perfected McCoy argues by Augustine and Aquinas Two other important features include McCoy s epistemological insights into Plato s work that will be new to many readers and the author s juxtaposition of traditional natural law with the modernized theory of natural law The modern account of autonomous natural law in McCoy s view helps explain the totalitarian direction of key aspects of modern political thought This classic volume on the origins of modern philosophical thought remains a standard in the field
