Shades Of The Cotswolds Andrew Pounder,2025-07-07 A monochrome journey through Cheltenham Spa Tewkesbury a fleeting moment that seems to stretch into eternity This collection of monochrome photographs seeks to distil that essence offering a journey through the soul of Cheltenham Bourton on the Water and Tewkesbury Cheltenham known for its Regency elegance provides an architectural grace that transitions beautifully into black and white Its streets parks and iconic buildings are imbued with a quiet sophistication that the absence of colour only amplifies Bourton on the Water the Venice of the Cotswolds enchants with its meandering waterways and idyllic stone bridges all rendered in a grayscale that enhances its serene beauty And then there s Tewkesbury a town that might sit just outside the official boundaries of the Cotswolds but whose spirit feels undeniably at home among its neighbours With its historic abbey ancient timber framed buildings and tranquil riverside views Tewkesbury possesses a charm that echoes the same timeless allure as Cheltenham and Bourton on the Water It stands as a gateway bridging the old world elegance of the Cotswolds with the surrounding countryside In monochrome the play of light and shadow becomes the narrator revealing textures contrasts and details often overlooked These images invite you to pause to step into the stillness and grace of these places and to see them as they are unchanging yet alive storied yet mysterious This book is not just a tribute to the landscapes and architecture but to the essence of what makes the Cotswolds and its surrounding gems truly timeless
