At Last! Science and psychology have isolated the one prime cause for success or failure in life. It is the hidden self-image every person has. It controls your mind just as surely as your mind controls your heartbeat. To remake your hidden self-image for success, is to remake your life. Here a famous doctor tells you the seven exercises he used to make amazing changes in the hidden self-images of his patients. He used them to remake shattered lives into blazing careers. You will use them to achieve the wishes of your dreams.
