These works of magic range from simple to complex and ancient to modern. They are collected from a variety of pre-existing magical methods and original material from Austin Shippey's personal grimoire. Praesidium teaches the art of the clay image, the witch bottle, the protective circle, candle spells and protective charms, cleansing, binding and unique magical charms which you won't find anywhere else. Includes the signs and symptoms of a curse, the energy behind a curse, the clay or waxen image and its creation, circles of protection and banishment, the witch bottle and its creation, written and spoken charms for protection, the use of spiritual baths for cleansing, the making of holy water, how to consecrate a magical knife or athame, recovering from harmful magic, binding an enemy and restraining them from causing harm, sending a curse back to the person who cast it and more.
