Magic Words, Magic Worlds Matthew Oliver, 2022-06-07 While all fiction uses words to construct models of the world for readers nowhere is this more obvious than in fantasy fiction Epic fantasy novels create elaborate secondary worlds entirely out of language yet the writing style used to construct those worlds has rarely been studied in depth This book builds the foundations for a study of style in epic fantasy Close readings of selected novels by such writers as Steven Erikson Ursula Le Guin N K Jemisin and Brandon Sanderson offer insights into the significant implications of fantasy s use of syntax perspective paratexts frame narratives and more Re examining critical assumptions about the reading experience of epic fantasy this work explores the genre's reputation for flowery archaic language and its ability to create a sense of wonder Ultimately it argues that epic fantasy shapes the way people think examining how literary representation and style influence perception

**Translating for Children** Ritta Oittinen,2002-06 Translating for Children is not a book on translations of children s literature but a book on translating for children It concentrates on human action in translation and focuses on the translator the translation process and translating for children in particular Translators bring to the translation their cultural heritage their reading experience and in the case of children s books their image of childhood and their own child image In so doing they enter into a dialogic relationship that ultimately involves readers the author the illustrator the translator and the publisher What makes Translating for Children unique is the special attention it pays to issues like the illustrations of stories the performance like reading aloud of the books in translation and the problem of adaptation It demonstrates how translation

and its context takes precedence can take over efforts to discover and reproduce the original author's intentions Rather than the authority of the author the book concentrates on the intentions of the readers of a book in translation both the translator and the target language readers Wicked Words: A Futuristic Urban Fantasy M.J. Scott, 2021-01-05 An exciting dark and sexy futuristic urban fantasy series from RITA Award nominated author M J Scott Some people might be happy to find out they re a witch In my case magic came with a demon who wanted my power back under its control I took out the demon but the price I paid was heartbreaking Now all I want is to leave magic far behind They call me the TechWitch A computer whisperer who brings recalcitrant systems to their knees with a single keystroke But now I know I m more than just a geek I m a witch too a revelation that cost me the man I love and the life of my best friend For the last nine months I ve been mourning my losses and ignoring the magical world entirely But when my ex virtual reality billionaire Damon Riley needs help with a magical threat I ll need every ounce of my tech mojo and my magic Trouble is I seem to have lost both And without magic I m vulnerable to the demons who find me so tempting With a curse to break and a demon s revenge to escape I needs to find my power to save the day and Damon Which means embracing the witches I ve been avoiding Because sticks and stones can break your bones but when it comes to magic words can be deadly Wicked Words is the second book in the TechWitch series an ongoing urban fantasy series from RITA Award nominated author M J Scott set in a not too far future where tech and magic don t always get along This series has witches demons an ongoing relationship that will have an HEA sexy times and a lot of computer geeks Perfect if you like the idea of a strong heroine a hot protective billionaire second chances and magic and technology colliding Enjoy Author's note For tropes and CW please check the author's website KEYWORDS Second book urban fantasy series futuristic urban fantasy books urban fantasy romance witches demons virtual reality books strong heroine romance billionaire hero romance action adventure urban fantasy ongoing relationship urban fantasy magic and technology gamers computer games near future urban fantasy romantic urban fantasy The Sphinx Reading the Homeless Eungiun Min, 1999-06-30 As one of our country's major social problems homelessness is .1924 often in the news The media tend to portray the homeless as drunk stoned crazy or sick individuals a portrayal that is only partly accurate and represents an obstacle to our understanding of the wider social implications of this complex issue This edited collection examines the various ways both verbal and visual in which the homeless have been portrayed by the media from the 1980s to the present day The contributors apply different frameworks ranging from phenomenology to culture studies to analyze the characteristics implications and consequences of the stories and images disseminated by the media
