Richmond, 2018-09-10 The publication of this work was we might say forced upon us by the demand before even a page of manuscript was prepared for the press The demand was caused by members of the Temple who recognized the necessity of a printed text book from which they could study the meanings of the cards and their indications under the seven planets These brothers and sisters naturally wished to perfect themselves in emblem reading as rapidly as possible and they could not so perfect themselves without a full and complete set of tables that they could study and refer to at will The next trouble that arose was the question of expense as aside from the printing engraving binding electrotyping and matters of that kind the author s time was and is now so valuable that the item far overbalances those mentioned It was finally decided that the most feasible plan was to get out enough copies to supply more than our immediate membership and to sell them to outsiders under certain restrictions **On the Cards Book Two** Odette C. Bell, The city s just gone to hell Someone s tried to destroy the casino with Nadine in it But she s still alive For now And Tom s still by her side for now The further she s thrust into this twisted game the more she realizes he s not just her boss He s playing her and Nadine Russo isn t the kind to let others gamble with her life On the Cards follows a snarky magical card shark and the lying detective she s indentured to as they fight to unify their broken city If you love your urban fantasies with action wit and a splash of romance grab On the Cards Book Two today and soar free with an Odette C Bell series **MAGIC EYE .
