They were commissioned by the Lord of Death himself some call him Hades and joined by a uniquely qualified spirit who knew that landscape well the famous magus known as Merlin. It turns out he's served as the top Underworld guide to many cultures since death began and he wrote The Tibetan Book of the Dead about how they do things there in the Bardo. Their job was to come up with ways to make death and the afterlife experience easier. Nothing there was working right anymore nobody understood the place people were getting lost and confused complaints were mounting and all this was slowing up Earth's progress and the daytime life of living humans. The team included Blaise a mysterious wisecracker who spends a lot of his time off planet mostly in the Pleiades. Edward a sensible Boston book editor. Frederick once a mythology professor but now a freelance Gnostic. Philomena his wife who ascended into a Light body ten years earlier. Matthew a reclusive meditator who consorts with Thunderbirds. Pipaluk a very old shaman from Greenland. Tommy teenager who died 20 years ago and now knows the Land of the Dead firsthand and Merlin explainer of Mysteries and everyone's favorite afterlife guide. Nothing is exempt from their Bardo retrofit. No job is safe no way of doing things is secure. Everything about the afterlife will change. Next time you're there expect to remember more stay awake longer and not take all those strange spirits accosting you seriously. Who knows You might even like it. *Child Friendly Therapy* Marcia B Stern, 2008-08-26 A treasure trove of creative tools and strategies to engage children in therapy.
