tenacity The widespread belief that a disabled life isn't a full life and that patients can cure themselves through force of will endures to the present day In *Take Up Thy Bed Walk* Lois Keith brings her lively and observant eye to the classic books of childhood from Jane Eyre Heidi and Pollyanna to modern American classics such as Laura Ingalls Wilder's *Little House on the Prairie* and Judy Blume's *Deenie* Keith explores the recurring images of impairment and ill health in literature and asks the reader to reconsider the messages they send to a devoted young audience This book is also a testament to the singular passion with which these books are read by younger readers and reminds us of the intensity of our own reading experience as children
