World of Zaylyn #1 Katrina Mandrake-Johnston, 2007-08-22 The World of Zaylyn is a world of humans, elves, dwarves, fairy folk, centaurs, dragons, dragon-like humanoids, orcs, goblins, trolls, shape shifters, and many others yet to be discovered. With warriors, thieves, wizards, treasure, magic, strange creatures, danger, and adventure, this world is never dull. Evil, malicious creatures have entered into this world to do the bidding of an insane wizard, but can he control these beasts as he believes and for what purpose? As the creatures slaughter his entire village, Vordin narrowly escapes. He's told that the evil wizard has to be slain by the Sword of Anthrowst in order to send the creatures back to where they came from. Two thieves, an elf, and her human companion join Vordin in the quest, as does an amateur wizard. The mysterious being they encounter, half-human and half-spider, is she friend or foe? Will they fall prey to the horrid evil monsters trapped in a web of spells and ripped to pieces by huge dagger-like teeth and claws? How are they to even find this sword wherever it may be, and the wizard for whom they only know a name? Encountering a mischievous fairy queen and her followers, vicious monsters, giant spiders, within ancient underground passages, bounty hunters, after the two thieves, plus so much more. Could there be bandits within the forest, or a werewolf lurking about, as a few believe? Worst of all is the presence of a mysterious and evil vampiric being with immense power called simply The Black Shadow. If he had a hand in this group coming together, what purpose does he intend for them? He wants them to complete their quest, saving Zaylyn from the wizard and his army of creatures, but why, especially when he could easily take care of the problem himself? <https://m.youtube.com/watch?v=59X2IYyQH0>

The Wisdom of Learning Robert L. Collins, 2020-06-01 Maisy, the Witch Queen of Hatham, has always been curious. Her travels have broadened her mind and are benefitting her kingdom. But expanding knowledge challenges old assumptions and could create conflict. Maisy will need both her head and her heart to prevail as The Witch Queen.

[The Internet of Women - Accelerating Culture Change](#) Nada Anid, Monique J. Morrow, Laurie Cantileno, 2022-09-01 Female scientists, technologists, engineers, and mathematicians worldwide are making historic contributions to their fields. The modern workforce is closer to gender equal than it has ever been, and many efforts are in place to support further progress. The Internet of Women provides an exciting look at personal narratives and case studies of female leaders and cultural shifts around the globe that illustrate this promising trend. From the United Nations' emphasis on girls and technology education in the SDGs (Sustainable Development Goals) to the increased female labor force in Zambia, a policy change that was inspired by the MDGs (UN Millennium

Development Goals The Internet of Women captures stunning examples of progress from around the world and men working hand in hand with women advocating for cultural change Scholars and practitioners lament the lack of women leading and working in leading organizations in the technology industry Gender equality and female participation in the tech field is critical to both developing and developed economies nevertheless this gap remains a global phenomenon The lack of female leadership is particularly extreme at the highest echelons of leading technology organizations Few publicly traded tech companies have female CEOs in fact most nations have zero female leadership in the tech industry This gap does indicate a slow pace of progress for gender equality in tech employment Women s pay still lags nearly a decade behind according to the World Economic Forum meaning that women s on average pay today is the equivalent to that of similarly qualified and similarly employed men in 2006 Without significant progress the current rate of change will not lead to parity for 118 years according to the World Economic Forum WEF However there s significant work being done to shift this tide Take for instance Michelle Lee the first female Under Secretary of Commerce for Intellectual Property and Director of the United States Patent and Trademark Office USPTO reflects on her childhood Girl Scout badge in sewing and cooking and how that memory inspired to create an IP badge that exposes young women to the process of invention Social entrepreneur investor and Malala Fund co founder Shiza Shahid shares her efforts beginning from mentoring young women in Pakistan to her current work directing more investment to women innovators around the globe And Elizabeth Isele a senior fellow in Social Innovation at Babson College shares her research on women and ageism saying we need to retire the word retirement The book is divided into six parts each with unique areas of focus Millennials Leading Exploring Challenges and Opportunities Facing the Next Generation of Women in Technology Men and Women Empowering One Another Bold Leadership Women Changing the Culture of Investment and Entrepreneurship Educating for the 21st Century Breaking the Glass Ceiling A Generation of Women Forging into Technology Leadership Emerging Fields of Technology The Internet of Women gathers examples about the increasingly inclusive and progressive gender culture in technology from over 30 countries Stories range from an entrepreneur in Dubai partnering with private and public sector entities to accelerate blockchain technology to a young British woman moving to Silicon Valley to launch an artificial intelligence platform and incubator The book is intended for corporations academic institutions the private sector government agencies gender experts and the general public and its key benefit is to let the reader understand a path towards implementing diversity overall globally It also showcases the strategies tools and tactical execution on how create cultural change in all parts of the world *The Southern Magicks* Ashton K. Rose, 2022-08-24 A month ago a demon tore the thin veneer of a normal life I d crafted apart when it almost killed me Revealing my husband Eli as the prodigal son of a powerful magic family When I grew up I walked away from magic Left my remote hometown and pretended the ghosts Gran taught me to see weren t there while I went to university to become a librarian Our one secret tightly held to my heart Never let them know Two years later with no other financial option I moved

back to my small hometown It was easy to pretend the fuzzy gaps in my memory weren't there as I got a job under the strict woman who almost killed my childhood love of books I thought everything was perfect when I married my dream guy Then the attack happened The good folks at the local magical law enforcement agency knew about me the whole time They've pressured me to work for them as an exorcist because they're convinced I was a vigilante who committed multiple murders My odd intriguing mentor Cory watches for any misstep as I avoid the seduction attempt he's been asked to perform Now they've accused my estranged older brother of taking over my crimes I know I was framed despite the gaps in my memory The worst part The only people who seem to believe me are my friend June and my journalist cousin Kat Eli filled with spite for the local magical rulers seems to know something I DON'T and thinks I should play them at their own game and seduce my mentor so we can interrogate him together The Southern Magicks is a small town paranormal urban fantasy mystery series with a M/M/NB menage romantic subplot For fans of The Dresden Files Rivers of London Southern Vampire Mysteries Alex Verus and The Laundry Files who enjoy LGBTQ characters and stories
