**The Magical Child Within You** Bruce Davis, 1985      **Magical Child** Joseph Chilton Pearce, 1992-03-01  
Magical Child a classic work profoundly questioned the current thinking on childbirth practices parenting and educating our children Now its daring ideas about how Western society is damaging our children and how we can better nurture them and ourselves ring truer than ever From the very instant of birth says Joseph Chilton Pearce the human child has only one concern to learn all that there is to learn about the world This planet is the child s playground and nothing should interfere with a child s play Raised this way the Magical Child is a happy genius capable of anything equipped to fulfill his amazing potential Expanding on the ideas of internationally acclaimed child psychologist Jean Piaget Pearce traces the growth of the mind brain from birth to adulthood He connects the alarming rise in autism hyperkinetic behavior childhood schizophrenia and adolescent suicide to the all too common errors we make in raising and educating our children Then he shows how we can restore the astonishing wealth of creative intelligence that is the birthright of every human being Pearce challenged all our notions about child rearing and in the process challenges us to re examine ourselves Pearce s message is simple it is never too late to play for we are all Magical Children
