 described **Mastering Your Data** Andy Graham,2015-01-01 This is my latest book on Data Architecture focusing on the
 subject of MDM Master Data Management It is intended to provide a overview of the subject with chapters covering key
 topics such as the business case data privacy the challenges of global MDM golden source and authoritative source
 explanations the different MDM styles and the record matching process The back cover text says the following Master Data
 Management MDM for short has become a whole industry within an industry There are many companies now claiming to be
 MDM software or services providers Everyone wants a master data project on their CV and in general it has become hip and
 trendy to talk about and do The reality is that MDM is in fact the reincarnation of the problem of how to manage the
 consistency and integrity of the myriads of data assets that exist across the enterprise This book provides an understanding
 of MDM the business drivers behind it the various techniques that are critical to its success and gives a good architectural
 grounding in the subject It is perfect for anyone embarking on an adventure in this problem space I hope you find this book

 Roukema,2018-05-29 Esotericism and Narrative The Occult Fiction of Charles Williams situates the life and fiction of the
 Inkling Charles Williams in the network of modern occultism with special focus on his initiatory experiences in A E Waite s
 Fellowship of the Rosy Cross Aren Roukema evaluates fictional projections of magic kabbalah alchemy and ritual experience
 in Williams s seven novels of supernatural fantasy From this specific analysis he develops more broadly applicable
 approaches to the serious expression of religious experience in fiction Roukema shows that esoteric knowledge has
 frequently been blurred into fiction because of its inherent narrativity and adaptability particularly by authors already
 attracted to the syncretism multivalence and lived fantasy of the modern occult experience
