the time everyone has taken their cut there is little or nothing left to give After the tragic death of her son and being left alone to bring up two children alone Mahboba faced a crossroads Instead of giving into grief she fought back slowly piecing her life back together by helping other Afghani women pioneering English classes and even a learn to swim program But it was a letter from a young Afghani doctor begging for help to save refugee orphans dying on the streets of Kabul that changed her life and thousands of others She and her friends raised 120 that day To prove they received the money the young doctor sent back the children s fingerprints That did it Mahboba knew she had to do more Soon she became mother to 35 children supporting them single handedly through her own fundraising Today she is mother to hundreds The work of Mahboba s Promise has already inspired thousands of ordinary Australians initially through two stunning documentaries for the 7 30 Report and Australian Story and it has even captured the attention of Oprah With this book we will not only spread that message but help the cause part of the royalties raised from sales will go towards the ongoing work of Mahboba s Promise When some days the world seems to be heading to hell in a bucket we need stories like this more than ever The Routledge Companion to Australian Literature Jessica Gildersleeve,2020-12-22 In recent years Australian literature has experienced a revival of interest both domestically and internationally The increasing prominence of work by writers like Christos Tsiolkas heightened through television and film adaptation as well as the award of major international prizes to writers like Richard Flanagan and the development of new high profile prizes like the Stella Prize have all reinvigorated interest in Australian literature both at home and abroad This Companion emerges as a part of that reinvigoration considering anew the history and development of Australian literature and its key themes as well as tracing the transition of the field through those critical debates It considers works of Australian literature on their own terms as well as positioning them in their critical and historical context and their ethical and interactive position in the public and private spheres With an emphasis on literature s responsibilities this book claims Australian literary studies as a field uniquely positioned to expose the ways in which literature engages with produces and is produced by its context provoking a critical re evaluation of the concept of the relationship between national literatures cultures and histories and the social function of literary texts

Republics of Letters Peter Kirkpatrick,Professor Robert Dixon,2018-08-30 Republics of Letters Literary Communities in Australia is the first book to explore the notion of literary community or literary sociability in relation to Australian literature

Dissenting Lives Anne Collett,Tony Simoes de Silva,2017-10-02 This collection brings together a series of essays that combine the public and private nature of dissent stories of dissent that encapsulate the mood of an historical or cultural period or of a society Dissent is most memorable when it is public explosive dramatically enacted Yet quiet dissent is no less effective as a methodical unstitching of social and political mores rules and regulations Success depends perhaps less on intensity than on determination on patience as much as courage Moreover although many persistent dissenters often gain an iconic status most live dissent in the fabric of their ordinary lives Some combine both Imprisoned at Robben Island for 27

years his image and voice erased from the print media or airwaves Nelson Mandela remained even in jail one of the most powerful agents of dissent in South African society until his freedom in 1990 Deep connections deep commitment profoundly personal convictions and courageous public dissent are some of the threads that bind together this diverse and exciting collection of essays Alone each essay explores dissent and consent in stimulating and distinct ways together they speak both of the effects of dissent and consent and of their affective energies and potential This book was originally published as a special issue of Life Writing Afghanistan Conflict and Australia's Role Amin Saikal,2011-06-15 A decade after the US led invasion of Afghanistan in October 2001 the country continues to face a growing insurgency and crises of governance The Afghanistan Conflict and Australia s Role tackles a number of critical dimensions politics society military and reconstruction of this conflict from a range of perspectives This book unpacks the nature and complexity of the conflict at national and international levels It makes a critical assessment of the performance of President Hamid Karzai and his government and the efforts made by the international community the US and its NATO and non NATO allies in particular to stabilise rebuild and secure Afghanistan as a viable state In addition it examines critically the role played by Australia in the conflict The conclusions are far reaching with relevance to anyone interested in the interconnectedness of many contemporary issues governance democratisation development the role of the media and counterinsurgency Islamic Studies Series Volume 8
