**The Locrian Maidens** James Redfield, 2021-01-12 Athens dominates textbook accounts of ancient Greece But was it for the Greeks themselves a model city state or a creative even a corrupt departure from the model Or was there a model This book reveals Epizephyrian Locri a Greek colony on the Adriatic coast of Italy as a third way in Greek culture neither Athens nor Sparta Drawing on a wide range of literary and archaeological evidence James Redfield offers a fascinating account of this poorly understood Greek city state and in particular the distinctive role of women and marriage therein Redfield devotes much of the book to placing Locri within a more general account of Greek culture particularly with the institution of marriage in relation to private property sexual identity and the fate of the soul He begins by considering the annual practice of sending two maidens from old world Locris the putative place of origin of the Italian Locrians to serve in the temple of Athena at Ilion finding here some key themes of Locrian culture He goes on to provide a richly detailed overview of the Italian city in a set of iconographic essays he suggests that marriage was seen in Locri as a life transformation akin to the eternal bliss hoped for after death Nothing less than a general reevaluation of classical Greek society in both its political and theological dimensions The *Locrian Maidens* is must reading for students and scholars of classics while remaining accessible and of particular interest to those in women s studies and to anyone seeking a broader understanding of ancient Greece *Manru Ignace Jan Paderewski, 1901* *History of Greece, From the Earliest Times to the End of the Persian War* Max Duncker, 2025-07-29 Reprint of the original first published in 1883 The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage *19th International Conference on Cyber Warfare and Security* Prof Brett van Niekerk , 2024-03-25 These proceedings represent the work of contributors to the 19th International Conference on Cyber Warfare and Security ICCWS 2024 hosted University of Johannesburg South Africa on 26 27 March 2024 The Conference Chair was Dr Jaco du Toit University of Johannesburg South Africa and the Program Chair was Prof Brett van Niekerk from Durban University of Technology South Africa ICCWS is a well established event on the academic research calendar and now in its 19th year the key aim remains the opportunity for participants to share ideas and meet the people who hold them The scope of papers will ensure an interesting two days The subjects covered this year illustrate the wide range of topics that fall into this important and ever growing area of research **Redefining Ancient Orphism** Radcliffe G. Edmonds III, 2013-11-07 In a paradigm shift this book redefines Orphism as a polemical label for extra ordinary religion good or bad *Enchanted Maidens* James M. Taggart, 2021-03-09 Spanish villagers tell many folktales that describe in metaphorical language the struggles of young men and women as they emerge from their parental families and join in love In this book James Taggart presents dozens of orally transmitted tales including Snow White Cinderella Beauty and the Beast Blancaflor and dragonslayer stories collected from seven villages in the region of CNBceres and analyzes the differences in male and female approaches to telling them His

study shows how men and women use the tales to grapple with some of the contradictions found in gender relations in their culture which conditions men to be sexually assertive and to marry virgins and which teaches women to fear the men who court them Taggart interprets the male female dialogue voiced through storytelling by linking the content of specific tales to the life experiences and gender of the storyteller Men and women he finds carry out an exchange of ideas by retelling the same stories and altering the plots and characters to express their respective views of courtship This indirect narrative dialogue conveys an understanding of the opposite sex and establishes a common model of marriage that permits men and women to overcome their fear of each other and bond in heterosexual love **Baxter's Explore the Book** J. Baxter, James Sidlow Baxter, 1986-12-26 Exposition commentary and practical application of the meaning and message of the Bible ADVENTURES OF ARABELLA AND THE SEVEN MAIDENS Dorothy Angkahan, 2025-01-28 Arabella is off on her second journey to help people who are oppressed in the world The child doesn't know where her next journey is taking her but she is looking forward to more adventures and to help others if she can When Arabella is finally transported to another faraway land she becomes astonished about her second goodwill mission to help people from a dire situation because she must go with her new companion whom Arabella will meet in her second journey and they must travel around the world to collect the seven keys from the seven maidens Afterward Arabella and her companion return where her companion is from to free the people there from a devastating curse that has plagued the land the king's southern part of his kingdom While the two girls travel to each maiden's territory they're faced with perils and trials on the way So no one can say that the girls don't have their hands full yet during their goodwill mission they'll meet wonderful people of foreign tongues and cultures between the maidens' territories Also Arabella and her companion will develop a meaningful relationship with each other that's binding for life They both have strong faith for their age but they would have to because without faith and divine intervention their goodwill mission won't be successful This Arabella learned from her first journey and more so in this second journey One thing the girls will have in common with their perils and trials they both will see their faith grow and through perseverance they both will gain wisdom yet maintaining humility and a heart of charity on the way If Arabella is thinking her first and previous journey was overwhelming then she'll surely find this second journey surpasses her first with amazing and incomprehensible adventures and perils on the way so her and new companion's faith may be tested Thus with each goodwill mission her faith will grow stronger and the values she learns from her journeys are indeed preparing her to rule wisely and justly as baroness of the Wellington dynasty someday **The Stories of Scheherazade**, *The Happy Ending* Mandy Zundel, 2023-12-26 Four fairy tales One broken spell And a secret that threatens everyone After his farm fails and his cow goes dry Jack is certain the Happy Ending will intervene He isn't prepared for how lost he feels when it doesn't Heartbroken he determines to save his family himself Hepsibah resents being cast by the Happy Ending as the villain in the cursed princess story Ignoring tradition the aged fairy tries to give a true gift to the babe rather than a curse She doesn't

know that nothing she does will turn out as expected Ella dreams of one night of happiness away from the harsh reality of her life She s crushed when the evening doesn t go as planned After the ball ends Ella s dreary existence becomes even more difficult for her to bear Adalia can t decide what she wants lately She worries about her family and the threat to her kingdom She hates not knowing whether the midnight dances are the answer to her problem or the cause of it Hepsibah is terrified her magic is out of control Jack races to warn about a secret that has been hidden for millennia Ella flees hoping it s not too late to escape And Adalia fights against the spell that holds her hostage All of them are about to discover just how dangerous their world can be

*The Power of Women* Susan L. Smith, 2016-11-11 Eve tempting Adam with the apple Delilah shearing Samson s hair Phyllis riding the philosopher Aristotle like a horse from the patristic period through the sixteenth century examples of disorderly women such as these from the Bible antiquity and romance were cited to prove beyond any doubt that women exercise a power that no man however superior his moral and physical qualities can resist An example of Latin topica loci or loci communes central to ancient rhetoric and medieval literature the Power of Women topos illustrated how a woman could dominate humiliate and even destroy the man who loved her too well Two or more infamous female figures were brought together to exemplify a cluster of interrelated themes the wiles of women the power of love and the trials of marriage Susan L. Smith s comprehensive study of the Power of Women topos in written texts and in art emphasizes the critical phase of its development from the late twelfth to the end of the fourteenth century During this period she argues traditional employment of the topos exclusively to condemn women and justify male authority underwent a dramatic shift as new voices some of them female voices appropriated the Power of Women topos to contest and relativize the misogynistic views it had been created to promote The Power of Women analyzes the topos s shifting operations in the context of ancient and medieval theories of rhetoric particularly with respect to the practice of exemplification which presuppose the possibility of conflicting judgments on disputed topics Smith further supports her argument by reference to a wide range of recent theoretical writings by Mikhail Bakhtin and others
