Groom for Hire (a historical western wagon train romantic comedy) Ruth Ann Nordin, When Joe Otto accepted the job to lead a wagon train to California the last thing he expected was to be asked to marry Mr Heller's daughter Still pining over the one that got away he's not sure he has it in him to open his heart to another woman Mr Heller assures him the arrangement will only be temporary Once Joe delivers her to her aunt and uncle in California he can annul the marriage Joe can use the money and

besides it's only a temporary arrangement. She won't be his wife for the rest of his life. Reassured by this logic, he agrees to the marriage contract. Michelle Heller knows the only way she's going on the wagon train is if she has a husband, so she readily accepts the deal her father makes with Joe. What she doesn't expect, however, is that her new husband is the most attractive young man she's ever seen. Over and over she has to remind herself their marriage isn't real. It's only borne of necessity. But as the days pass on the trail, it's harder to remember their marriage is only on paper, and it seems the two are at odds as to what they want this marriage to be. After Joe watched the woman of his dreams start a life with someone else, he vowed he would never open himself up to being hurt again. Can Michelle break through his wall, or will she have to annul the marriage once she reaches California?

Breaking the Rules (A Regency Romance) Ruth Ann Nordin, 2020-02-27. They say a proper lady follows the rules. She lets the gentleman take the lead. She obeys her chaperone. She is soft-spoken and careful in everything she says and does. She doesn't intrude into a gentleman's business. And she most certainly doesn't become the object of scandal. Miss Lilly Lowell has been careful to follow the rules all of her life. But the rules aren't helping her now when she needs it most. She made the terrible mistake of spurning Mr. Morris' attention, and now he's looking for someone else to marry. Determined to get him back, she hatches a plan to make him fall in love with her again. And doing so will require her to start breaking some rules. Hurt by Miss Lowell's rejection, Mr. Roger Morris is seeking out another lady to court. But after endless social engagements, it starts to become clear to him that no one can take her place. Whether he likes it or not, he is doomed to love her. She is the perfect lady for him. But the last thing he wants to do is give in, especially when she creates a scandal that forces him to marry her. This might just be a match made in hell. Or maybe quite possibly heaven, as long as Lilly can figure out a way to make things right.

The Loner's Bride (a cute romantic comedy set in a western frontier town) Ruth Ann Nordin. Katie Jackson is all grown up, and it's time for her to find a husband. Though the young men have been coming by the orphanage where she is working, none of them catches her fancy. They all seem like they need to do a lot more growing up before they're ready for the responsibilities of a wife and children. They're all more like little brothers than serious prospects for marriage. If only they were more like Jeremiah Barlow, who happens to be running the orphanage. He's perfect: Mature, kind, and gentle. Best of all, she's attracted to him in a way she's never been attracted to anyone before. It's not long before Jeremiah becomes aware of Katie's interest in him. And worse, he's just as interested in her. But it would never work. He's twice her age. His best days are behind him. Katie, however, is not one to give up. When she wants something badly enough, she'll move heaven and earth to get it. And Jeremiah is on her list.
