Maine's Angling Past Donald A. Wilson, 2000 Before airplanes and with few roads getting to Maine and the isolated fishing spots that made the state a world famous fisherman s paradise was no small task Huge resorts and hotels peppered the fishing regions accommodating hundreds perhaps thousands of sportsmen at any one time From these lodgings sports with their guides branched out taking expeditions and canoe journeys that lasted for days even weeks into Maine s wilderness Only recently have vacationers been transient and as such have changed the concepts of fishing in wilderness areas forever Today the hotels are mostly gone and people now fish for a few hours to a day or more and then move on *Glimpses of Maine s Angling Past* returns to the days when vacationers settled into their camps for whole summers before the endless acres of timber were dissected by logging roads and secret little known lakes and ponds took days or weeks to reach This long anticipated volume includes countless images from the entire state broken down into eight distinct areas the Sebago Lakes the Belgrade Lakes the Rangeley Lakes Down East the Penobscot River Valley the Kennebec River Valley the Moosehead Lake Region and northern Maine and the County Included are rare photographs from lodges no longer in existence and antique sports magazines such as *In the Maine Woods* and *Field and Stream* All of this is complemented by the author s painstaking research and his intimate memories of Maine s sporting history *Acadia National Park (N.P.), Proposed*, 1972
