White Collar Rancher Marie Johnston, 2019-05-20 Friends with benefits never hurt anyone right Justin used to rule the boardroom Now he rules his own little plot of land or he could if he weren't a clueless single dad with a newborn Desperate for help he calls out an SOS to an old friend the doctor who delivered his son But the longer she's around the harder it is to ignore that a stunning intellect isn't her only appeal It was supposed to be just two friends getting through a baby's colic together Only Priya has harbored way more than friendly feelings for Justin for years and she's struggling to keep her thoughts platonic around the scruffy rugged rancher It doesn't hurt that he's the only friendly port in a frigid small town that was supposed to welcome her back with open arms Justin's sworn off women and refuses to change for anyone Priya's fighting to save her job and has no time to soothe male egos So a friends with benefits arrangement seems like the perfect solution except no one warned them one of the benefits could be a broken heart
