Violet Fane, 1886 **Women and War in the Twentieth Century** Nicole A. Dombrowski, 2004-11-23 First published in 2005. This volume documents women's 20th century wartime experiences from World War I through the recent conflicts in Bosnia. The articles cross national boundaries including France, China, Peru, Guatemala, Germany, Bosnia, the U.S., and Great Britain. The contributors of these original essays trace the evolution of women's roles as victims of war while also showing how they have been increasingly incorporated into battle as actors and perpetrators. These comparative studies analyze war's disruptions of daily life, its effects on children, rape as a war crime, access to equal opportunity, and women's resistance to violence. *Love and War* Warren MacQuarrie, Clara MacQuarrie, 2018-12-11 This is about the extraordinary lives of two

people who fell in love on the cusp of WWII. They secretly married after the war started and survived three wars while raising a family of five. Clara and Warren married while he was in the Marine Corps flight training. Over thirty years of highly decorated marine service, Warren flew thirty different aircraft and survived scores of combat missions and close calls in WWII, Korea, and Vietnam. What saw Warren through the darkest hours of three wars and Clara through lonely and extended separations while taking care of five kids were their dedication and love. Warren would always come home and Clara would always be there. And after seventy-five years of marriage that holds true today. Affectionately known by friends and family as the General and the Colonel, Clara and Warren's memoir is an inspiring, remarkable story of love and war, a journey through life. **Combat Artist, A Journal of Love and War** Alexander Russo, 2013-09 The book is a straight-forward account of

He was the first and youngest of Naval personnel to volunteer and engage in the landings in Sicily and Normandy, the graphic results of which form part of the Navy's Historical Records of World War II. The book also continues with the development and challenges of the artist in post-war years, which provides valuable insights for anyone pursuing a career in the fine arts. D. Eisenhower is one of America's greatest and least appreciated presidents. Behind the demeanor that made Dwight D. Ike Eisenhower so popular was a cold as steel intelligence that kept his country prosperous and out of danger. Because his operating methods were so deeply hidden, it is only in the past few decades that historians have grasped the full extent of his

achievements Ike in *Love and War* shows the hidden sacrifices that made Eisenhower remarkable It probes the mission that was driving him the quest to reconcile his skill as a fighter with his mother's pacifism which led him to become the greatest peacekeeper of his age More than other biographies this one explores the man's emotions It puts the long standing dispute about his romance with Kay Summersby in a new perspective tragedy Here is the story of a unique American the passion and brilliance he kept concealed the ambition that propelled him the sacrifices that wore down his health and the sheer self mastery that made it all look easy It never was His achievements are timely as Americans face unprecedented dangers This is the story of the world Ike made the things he achieved and the surprises that may still be in store for us as we strive to understand his life in full
