Teaching and Understanding

Pneumatology & Spiritual Gifts Elijah E. Dunbar, 2009-05-22 The geographical extent of the orient and occident is a validation of the cultural and ideological differences that have existed with constancies between the two hemispheres throughout the eons of time Ideological pluralism has been the common practice of the inhabitants of both spheres but with unique manifestations Christianity along with other religions are warmly embraced and pragmatically characterized by the orientals and occidentals with reserved peculiarities Oriental Christians viewed pneumatology as being a significant particle of their theological and liturgical lives while Occidental Christians see Christology as the primal substance in Christianity Although both groups have a history of singling out this distinction over the years theologians and theology have helped both sides understand the importance of both pneumatology and Christology in Christianity It is concertedly understood that neither of the two can be studied or taught without the other Their inseparable existence makes Christianity a complete whole The authors exploration and literary expedition through myriad of sources allow him to compile data relevant to understanding the importance of the Holy Ghost and Spiritual gifts within the Christian community Whether a secular or non secular intellectual you will find the information in this book to be rewarding resourceful and informative You will come across comments from some of humanitys and Christendoms finest and brightest academics in an eclectic form Join the author now on his literary expedition Welcome

After 50 Years of

Ministry Bob Russell, 2016-05-13 If I had my entire life to live over I d choose to be a preacher again It s been extremely rewarding and gratifying But I could do ministry a lot better if given a second try As I look back on my forty years at Southeast Christian Church in Louisville KY I wish I had a mulligan This book lists seven things I d do differently and seven I

I do about the same. They are written in hopes they'll be a source of encouragement for those growing weary and losing heart. I pray my observations will inspire others to conclude, "If he can do it, I can too." In this book, I share both the joys and sorrows of my ministry, both the successes and failures. I'm going to be as transparent as possible in hopes that it will encourage ministers to stand firm in the faith and be faithful unto death. If just one minister is motivated to pick up the sword of the Spirit and re-enter the battle, it will be well worth the effort.

Bob Russell **Ministries**, 1980 Leading Churches
 Floyd D. Carey, 2005-01-01 Foundations for Fruitful Church Planting Ken L. Davis, 2023-07-28 Church planting is one of the most challenging yet rewarding adventures you can embark on. Often zealous planters and their teams launch their new church prematurely without taking time to lay a firm foundation for long-term fruitful ministry. Failure to do so often results in a weakened new church or even the new church closing after a few years. Rather than focusing on methodology, the how-to of church planting, this book gives attention to six foundational concerns wise planters will need to nail down before they ever plant: Biblical foundations, Theological foundations, Ecclesiological foundations, Missiological foundations, Spiritual foundations, Practical foundations. Although helpful for a wide range of planting leaders, this book is particularly written for four specific groups: those who feel called to plant and are making preparations; their planting teammates; and launch leaders. Those exploring church planting, those who coach and train church planters. Foundations for Fruitful Church Planting serves as a comprehensive resource that will guide you to think strategically, plan carefully, and prepare thoroughly to birth a healthy growing and reproducing congregation. Each chapter includes recommended resources, discussion questions, and follow-through exercises.

Relational Children's Ministry Dan Lovaglia, 2016-04-05 Children's ministry has the power to change the lives of kids and families. Unfortunately, it's not always clear that the work a person does with kids is really making a lasting difference. Ask children's ministry leaders and kid influencers if they are making the impact on children's lives as they had hoped, and most likely the responses will be mixed. And for good reason. Research over the past decade has revealed an alarming lack of long-term growth in the faith community as children progress through student ministries into adulthood. Clearly, something needs to change. Relational Children's Ministry seeks to reverse this trend by equipping children's ministry leaders with practical tools to disrupt the status quo approach to discipleship with children and realign their ministries for greater long-term impact. Ministry leaders will learn how to relate intentionally to kids and families by putting five discipleship invitations modeled by Jesus into practice. Explore practical approaches to realign their children's ministry for a new trajectory by hitting three reset buttons to ensure long-term discipleship is embedded. Encounter examples of disruptive disciple makers in action and learn key principles that can be translated into their own ministry context. Children's ministry leaders will receive practical training to refocus their children's ministry along with time-tested tools to personally recommit to lifelong discipleship. Kid influencers can become a disciple-making community that redirects the current trajectory for this and future generations.
