

The book cover features a full-page illustration. On the left, Jesus, with long brown hair and a beard, wearing a white robe, is depicted walking on the surface of a dark blue sea with white-capped waves. He is barefoot and points his right hand towards a wooden boat on the right. Inside the boat, five men, presumably fishermen, are looking towards Jesus. One man in the foreground is using a long wooden oar. The background shows a distant shoreline with small houses and palm trees under a sky with soft, pinkish-red clouds. A small, arched inset at the top center of the cover shows a miniature version of the boat and the sea.

Shinall Jr.,2018-03-28 In the last decade or so scholarship on the miracles of Jesus has shifted from reconstructions of the historical Jesus to the questions of why and to what end early Jesus followers told stories about miracles Myrick Shinall contends that Mark and Q contain two distinct ways of remembering Jesus's miracles in relation to his proclamation of the kingdom of God He compares three cases of Mark Q overlaps which feature miracles the Beelzebul controversy the commissioning of the disciples and the testing or temptation narratives and finds that in Mark the miracles and the kingdom of God both point to Jesus identity as a divine figure whereas in Q Jesus and the miracles point instead to the coming kingdom of God Shinall further argues that these different views represent different strategies for creating group identities for Jesus followers strategies that came into conflict as the movement's identity coalesced At length he shows that the mix of high and low Christology in the Synoptic tradition requires reframing of the current debate over how early a high Christology developed in the nascent Jesus movement      **Luke** Earl Lavender,2013-07-29 Do you want a deeper more fulfilling way of Bible study Do you want to know God through Scripture not just to know the teachings but to have a relationship with the Teacher Perhaps you want to begin daily Bible reading but need guidance Or you need a guide for family Bible study Or your small group Bible study needs revitalizing This meditative commentary is for you There are many commentaries on the books of the Bible and workbooks for Bible study but this series is different It employs the classic Christian method of holy reading to help you hear the voice of God Holy reading involves slowly engaging a short passage of Scripture listening closely reading repeatedly praying the words and perhaps sharing with fellow believers God will bless us our families and our churches if we take the time to be still listen and do his word      **Books In Print 2004-2005** Ed Bowker Staff,Staff Bowker, Ed,2004      *A Companion to Public Theology* ,2017-01-23 Winner of the 2017 Choice Outstanding Academic Title Award Public theology has emerged in the twentieth and twenty first centuries as theologians have increasingly entered the public square to engage complex issues This Companion to Public Theology brings a much needed resource to this relatively new field The essays contained here bring a robust and relevant faith perspective to a wide range of issues as well as foundational biblical and theological perspectives which equip theologians to enter into public dialogue Public theology has never been more needed in public discourse whether local or global In conversation across disciplines its contribution to the construction of just policies is apparent in this volume as scholars examine the areas of political social and economic spheres as well as issues of ethics and civil societies and draw on contexts from six continents Contributors are Chris Baker Andrew Bradstock Luke Bretherton Lisa Sowle Cahill Letitia M Campbell Cludio Carvalhaes Katie Day Frits de Lange Jolyon Mitchell Elaine Graham Paul Hanson Nico Koopman Sebastian Kim Esther McIntosh Clive Pearson Scott Paeth Larry L Rasmussen Hilary Russell Nicholas Sagovsky Dirk J Smit William Storrar David Tombs Rudolf von Sinner Jenny Anne Wright and Yvonne Zimmerman      Children's Books in Print R R Bowker Publishing,Bowker,1999-12      Jesus Remembered James D. Christianity in the making James D G Dunn examines in depth the major factors that shaped first generation Christianity and beyond exploring the parting of the ways between Christianity and Judaism the Hellenization of Christianity and responses to Gnosticism He mines all the first and second century sources including the New Testament Gospels New Testament apocrypha and such church fathers as Ignatius Justin Martyr and Irenaeus showing how the Jesus tradition and the figures of James Paul Peter and John were still esteemed influences but were also the subject of intense controversy as the early church wrestled with its evolving identity

**The Quest for the Fictional Jesus** Margaret E Ramey, 2017-03-31 For almost two millennia Jesus story has been retold in various forms and fashions but in the last century a new way of reimagining the man from Galilee has sprung up in the form of novels about the life of Jesus While the novels themselves are as varied as their authors this work aims to introduce readers to some common literary strategies and theological agendas found in this phenomenon by surveying a few prominent examples It also explores the question of what happens when we examine the intertextual play between these reimaginings and their Gospel progenitors as we allow these contemporary novels to pose new questions to their ancient counterparts An intriguing hermeneutical circle ensues as we embark on our quest for the fictional Jesus and accompany his incarnations as they lead us back to re-examine the canonical portraits of Jesus anew
