Nadia Bou Ali,2020-02-14 Nadia Bou Ali shows how a curious relationship was forged between language and politics one driven both by a desire for modernity and anxiety about it *The Life of the Qur'an* Mohamad Jebara,2024-02-27
Appropriately epic and consistently erudite yet accessible for lay readers Kirkus Starred review Based on extensive scholarship an innovative biography of the central text of Islam Over a billion copies of the Qur'an exist yet it remains an enigma Its classical Arabic language resists simple translation and its non linear style of abstract musings defies categorization Moreover those who champion its sanctity and compete to claim its mantle offer widely diverging interpretations of its core message at times with explosive results Building on his intimate portrait of the Qur'an's prophet in Muhammad the World Changer Mohamad Jebara returns with a vivid profile of the book itself While viewed in retrospect as the grand scripture of triumphant empires Jebara reveals how the Qur'an unfolded over 22 years amidst intense persecution suffering and loneliness The Life of the Qur'an recounts this vivid drama as a biography examining the book's obscured heritage complex revelation and contested legacy The Qur'an re-emerges with clarity as a dynamic life force that seeks to inspire human beings to unleash their dormant potential despite often overwhelming odds in order to transform themselves and the world **Muhammad, the World-Changer** Mohamad Jebara,2021-11-16 Uncover the Remarkable Life and Legacy of Islam's Founding Prophet An accessible biography of Muhammad Islam's founding prophet tracing his development from orphan to political leader and providing insights into his personal life and tastes New York Times Book Review A joyous read presenting the Prophet Muhammad both as human and humane Insightful thoughtful and thought provoking Azar Nafisi New York Times bestselling author of *Reading Lolita in Tehran* A beautifully written immaculately researched meditation on the impact of the Prophet Muhammad on the modern world I loved this book Reza Aslan author of *No God but God* and *Zealot* The Life and Times of Jesus of Nazareth A six year old Muhammad cries in his mother's arms as she urges with her last breath Be a world changer Suddenly orphaned in a change fearing tribal society the boy must overcome immense obstacles to unleash his potential and inspire others Mohamad Jebara a renowned Qur'anic Arabic scholar fuses details long known to Muslim scholars but inaccessible to popular audiences bringing to life Muhammad's gripping personal story From his dramatic birth to nearly being abducted into slavery to escaping assassination Muhammad emerges as an unrelenting man on a mission Dynamic women nurture him Jewish and Christian mentors inspire him and the enslaved individuals he liberates propel his movement Placing Muhammad's life in a broader historical context Jebara vividly evokes Meccan society arguing that Muhammad's innovative vision helped shape our modern world Muhammad the World Changer offers a fascinating glimpse into the birth of Islam and the lasting impact of its founder [A General Catalogue of Books](#) Bernard Quaritch,1874
