Multilateral Institutions A Critical Introduction:

Multilateral Institutions Morten Bøås, Desmond McNeill, 2003-02-20 In recent years a great deal of public attention has been focussed on multilateral institutions such as the World Bank IMF and WTO This book offers students practitioners and activists a critical guide to these and other major institutions the Regional Development Banks and UNDP that make up the multilateral development system It analyses how they operate with respect to financing and lending the various roles that they play and related changes in their policy concerns such as structural adjustment sustainable development and governance The emphasis is on politics within and also between multilateral institutions analysing the relations both competitive and collaborative between for example the World Bank and UNDP NGOs are also shown to be important actors and the role they have played in recent years is critically assessed The book concludes with some emerging trends the privatisation of the system regionalisation and the politics of protest B s and McNeill do not simply take the policies of multilateral institutions at face value but ask how and why these policies came into existence They seek to promote critical but informed engagement both with the member states of multilateral institutions and the institutions themselves

Routledge Handbook of Diplomacy and Statecraft B.J.C. McKercher, 2012-03-12 Despite post Cold War arguments about their demise Great Powers not only continue to thrive with lesser Powers they form the basis of the constellation of global politics This topical new Handbook illustrates how and why the new international order has evolved and is still evolving since the end of the Cold War through the application of diplomacy and statecraft Including cutting edge contributions from over 40 scholars the handbook is structured around seven sections Context of Diplomacy Great Powers Middle Powers Developing Powers International Organisations and Military Alliances International Economy Issues of Conflict and Co operation Through analysis of a wide range of case studies the Handbook assesses the diplomacy and statecraft of individual powers offering insights into how they function their individual perception of national interests and the roles they play in modern statecraft The contributors also seek to evaluate the organizations and contemporary issues that continue to influence the shaping of the new international order A comprehensive survey of diplomacy across the world this work will be essential reading for scholars and professionals alike *The Routledge Handbook of Diplomacy and Statecraft* B.J.C.

McKercher, 2022-01-30 Reflecting the profound changes in international society in the past decade and the challenges that all Powers diplomacy and statecraft face whether opposing or encouraging these changes this fully revised and updated edition provides a unique multifaceted assessment by experts of the new international order Built around the thesis that Great Power rivalry dominated after the end of the Cold War it examines how this multi polarity has become more extreme The Handbook assesses the diplomacy and statecraft of individual powers in seven key sections The Context of Diplomacy The Great Powers Middle Powers Developing Powers International Organisations and Military Alliances The International Economy Issues of Conflict and Co operation It shows how diplomacy and statecraft have transformed on issues such as the evolving America

First strategy the strengthening of the People's Republic of China the growth of non state actors in foreign policy the unravelling of international arms control agreements the aggressive nature of Russian foreign policy and the emergence of major armed conflicts and the rise of terrorism and armed insurgencies around the world It will be of interest to government and non governmental actors established scholars and students in the fields of international relations history and military studies

Global Institutions and Development Morten Bøås, Desmond McNeill, 2004 Examines the concepts that have powerfully influenced development policy and more broadly looks at the role of ideas in international development institutions and how they have affected current development discourse

The Oxford Handbook of International Law and Development Ruth Buchanan, Luis Eslava, Sundhya Pahuja, 2024-02-15 The Oxford Handbook of International Law and Development is a unique overview of the field of international law and development examining how normative beliefs and assumptions around development are instantiated in law and critically examining disciplinary frameworks competing agendas legal actors and institutions and alternative futures

The Companion to Development Studies Vandana Desai, Robert B. Potter, 2008 The Companion to Development Studies is an essential one stop reference for anyone with an interest in development studies Over 100 international experts have been brought together to present a comprehensive overview of the key theoretical and practical issues dominating contemporary development studies Building on the success of the first edition the second edition of the Companion has been thoroughly revised and updated and includes new chapters on a range of topics including ageing culture and development corruption and development and global terrorism Each chapter summarises current debates and provides guidance for further reading and research The Companion to Development Studies is indispensable for students of development studies at all levels from undergraduate to postgraduate and beyond in departments of development studies geography politics international relations sociology social anthropology and economics

Theories of New Regionalism F. Söderbaum, T. Shaw, 2003-11-11 Theories of New Regionalism represents the first systematic attempt to bring together leading theories of new regionalism Major theorists from around the world develop their own distinctive theoretical perspectives spanning new regionalism world order approaches along with regional governance liberal institutionalism neoclassical development regionalism to regional security complex theory RSCT and the region building approach

Gendering the World Bank Penny Griffin, 2009-02-27 Gendering the World Bank provides an unusual wide ranging and accessible account of the constitution and effects of discourses of neoliberal governance Paying particular attention to how gender matters in and to contemporary global governance the author focuses in particular on the development discourse of the World Bank

The New Dynamics of Multilateralism James P. Muldoon, Joann Fagot Aviel, Richard Reitano, 2018-04-19 This timely new book focuses on the various dynamics of contemporary multilateralism as it relates to global issues global governance and global institutions Invited authorities including academics business people and members of international groups contribute original essays on how multilateralism as an institution has been affected by

globalization the rise of civil society and global business emerging economic and political conditions and new threats to peace and security in the world Emphasizing practical applications over theoretical foundations The New Dynamics of Multilateralism helps students understand how the practice of multilateral diplomacy has been influenced by the changes in the processes and procedures of international organizations and the role of multilateralism in the transformation of the international system of governance and the transition to an emerging new global order *Localizing and Transnationalizing Contentious Politics* Teresa S. Encarnacion Tadem, 2009-08-16 The Philippines makes an interesting case for examining direct and collective acts of contention against the neoliberal project of economic globalization Crippled by foreign debt indiscriminate liberalization of trade falling stock markets and perpetual corruption the Philippines is also a democratic polity and one of the few countries in Asia with a vibrant and dynamic civil society sector This collection has chapters on the Freedom from Debt Coalition's campaign on debt relief the Stop the New Round Coalition's advocacy to change international trade rules and barriers the global taxation initiative as embodied in Tobin tax advocacy in the country the Transparency and Accountability Network's anti corruption effort and the Philippine Fair Trade Forum's enterprise on fair trade Localizing and Transnationalizing Contentious Politics is the first work of its kind to focus on five global civil society movements in the Philippines and their responses to the inequities of neoliberal globalization Northern scholars have acknowledged the persistent absence of the South in research on activism around global issues and this book can help fill this gap Using political process theory as a framework the book traces the emergence development and diffusion of these social movements in the Philippines Globalization is taken as the environment in which they operate to highlight the role of increased interdependence and internationalization and the predominance of a particular ideology in the dynamics of contention
