Murder Gives A Lovely Light:

Cuba Open from the Inside Chris Messner, 2011-07-21 Cuba occupies a place of undisputed fascination in the American psyche. Despite its proximity to America, this island nation remains a mystery to most Americans. Few Americans have traveled to Havana, and still fewer have traveled deeper into this isolated country. Chris Messner, a photographer, is one of the few Americans who have been able to travel extensively throughout this island. In his book *Cuba Open from the Inside*, Messner documents the character of Cuba's people, its rich history, and the vast culture of the country. As Cuba's leaders age and the possibility of travel to Cuba increases, this book acts as an exceptional resource for would-be travelers. Through multiple journeys, Messner has covered more than four thousand miles on the back roads of the island nation. Through his words and pictures, he provides a snapshot of this nation and documents the Cuba of today, the 1950s time capsule country located ninety miles from the US coast.

Son of Gun in Cheek Bill Pronzini, 2018-05-16 Follow up to the Edgar Award nominated *Gun in Cheek*, further celebrates neglected classics of substandard mystery writing, uncovering even more twisted treasures for connoisseurs of hideous prose.

The Rotarian, 1942-01 Established in 1911, *The Rotarian* is the official magazine of Rotary International and is circulated worldwide. Each issue contains feature articles, columns, and departments about or of interest to Rotarians. Seventeen Nobel Prize winners and 19 Pulitzer Prize winners, from Mahatma Gandhi to Kurt Vonnegut Jr, have written for the magazine.

The Strangler Fig John Stephen Strange, 2014-05-14 In 1922, on his private island off the coast of Florida, on a calm, lovely evening, Senator Stephen Huntington walked out on the terrace for an after-dinner cigar and was never seen again. Local superstition has it that he was devoured by the strangler fig, a tropical vine that spreads itself onto other plants and kills again and again, slaying relentlessly and without compunction anything that stands in the path of its growth. Seven years later, Bolivar Brown accepts an invitation to vacation on the island with Huntington's family and some of the Senator's former friends. When a hurricane batters the island, clean-up crews soon find the dead strangler fig vine wrapped around a body dressed in the Senator's clothes. That evening, another victim is strangled. Bolivar Brown is compelled to discover the truth buried beneath the passions and ambitions of the Senator's former friends before another falls victim to the strangler fig.

Beautiful Light Anker, Roy M., 2017 Though religious films usually don't get much respect in Hollywood, religion still regularly finds its way into the movies. In *Beautiful Light*, Roy Anker seeks out the often unnoticed connections between film and religion and shows how

even films that aren't overtly religious or Christian in their content can be filled with deep religious insights and spiritual meaning. Closely examining nine critically acclaimed films including *Magnolia*, *The Apostle*, *American Gigolo*, and *M. Night Shyamalan's Wide Awake*, Anker analyzes the ways in which these movies explore what it means to be human and what it means as human beings to wrestle with a sometimes unwieldy divine presence. Addressing questions of doubt and belief, despair and elation, hatred and love, Anker's work sheds beautiful light on some of Hollywood's most profound and memorable films.
