

CHICAGO'S HOMICIDE SURGE IN CONTEXT

The 762 murders recorded by the city in 2016 place it eighth among large cities when adjusted for population.

Note: The city of Orlando has included the victims of the Pulse nightclub shooting from its 2016 homicide count. Its adjusted rate was not high enough to make this list.

SOURCES: Police data, news reports

*reflects partial homicide counts reported as of November or December 2016

Murder In Chicago

Troy Taylor

Murder In Chicago:

First in Violence, Deepest in Dirt Jeffrey S. Adler, 2006-04-15 Between 1875 and 1920 Chicago's homicide rate more than quadrupled making it the most violent major urban center in the United States or in the words of Lincoln Steffens first in violence deepest in dirt In many ways however Chicago became more orderly as it grew Hundreds of thousands of newcomers poured into the city yet levels of disorder fell and rates of drunkenness brawling and accidental death dropped But if Chicagoans became less volatile and less impulsive they also became more homicidal Based on an analysis of nearly six thousand homicide cases *First in Violence Deepest in Dirt* examines the ways in which industrialization immigration poverty ethnic and racial conflict and powerful cultural forces reshaped city life and generated soaring levels of lethal violence Drawing on suicide notes deathbed declarations courtroom testimony and commutation petitions Jeffrey Adler reveals the pressures fueling murders in turn of the century Chicago During this era Chicagoans confronted social and cultural pressures powerful enough to trigger surging levels of spouse killing and fatal robberies Homicide shifted from the swaggering rituals of plebeian masculinity into family life and then into street life From rage killers to the Baby Bandit Quartet Adler offers a dramatic portrait of Chicago during a period in which the characteristic elements of modern homicide in America emerged

The Chicago Trunk Murder Elizabeth Dale, 2011-09-01 On November 14 1885 a cold autumn day in the City of Broad Shoulders an enthusiastic crowd of several hundred watched as three Sicilians Giovanni Azari Agostino Gelardi and Ignazio Silvestri were hanged in the courtyard of the Cook County Jail The three had only recently come to the city but not long after they were arrested tried and convicted for murdering Filippo Caruso stuffing his body into a trunk and shipping it to Pittsburgh Historian and legal expert Elizabeth Dale brings the Trunk Murder case vividly back to life painting an indelible portrait of nineteenth century Chicago ethnic life there and a murder trial gone seriously awry Along the way she reveals a Windy City teeming with street peddlers crooked cops earnest reformers and legal activists all of whom play a part in this gripping tale *The Chicago Trunk Murder* shows how the defendants in the case were arrested on dubious evidence and held some for weeks without access to lawyers or friends The accused finally confessed after being interrogated repeatedly by men who did not speak their language They were then tried before a judge who had his own view and ruled accordingly *The Chicago Trunk Murder* revisits these abject breaches of justice and uses them to consider much larger problems in late nineteenth century criminal law Written with a storyteller's flair for narrative and brimming with historical detail this book will be must reading for true crime buffs and aficionados of Chicago lore alike

Murder During the Chicago World's Fair: The Killing of Little Emma Werner (A Historical True Crime Short) R. Barri Flowers, From R Barri Flowers award winning criminologist and bestselling author of *Murder at the Pencil Factory* and *Murder of the Banker's Daughter* comes the historical true crime short *Murder During the Chicago World's Fair The Killing of Little Emma Werner* *Murder City* Michael Lesy, 2015-06-01 Vivid laconic and crisp The bodies fall like dominoes and every word sounds like it was shot

from a gun And as you might expect from Lesy the photographs are extraordinary Luc Sante Things began as they usually did Someone shot someone else So begins a chapter of Michael Lesy s disturbingly satisfying account of Chicago in the 1920s the epicenter of Murder in America Just as Lesy s first book Wisconsin Death Trip subverted the accepted notion of the Gay Nineties so Murder City exposes the dark side of the Jazz Age Revisiting seventeen Chicago murder cases including that of Belva and Beulah two murderesses whose trials inspired the musical Chicago Lesy s sharp fearless storytelling makes a compelling case that this collection of criminals may be progenitors of our modern age **Murder and Mayhem in**

Chicago's Downtown Troy Taylor,2009-10-28 In the company of author Troy Taylor pull off the trick of coming back alive from some of Chicago s most infamous one way rides Meet the deadly womanizer Johann Hoch who would propose to a woman within twenty minutes of meeting her and then poison her within a week Follow Terrible Tommy O Conner as he eluded the gallows for more than fifty years until the city finally grew tired of waiting and dismantled them for the final time Learn how even flower shops and cathedrals weren t safe from gangland violence and relive the tragic fire at the Iroquois Theatre where a fireproof curtain was made of cotton and did little to stop the blaze that killed more people than the Great Fire of 1871 Murder in Canaryville Jeff Coen,2021-01-12 The grandson and great grandson of Chicago police officers Chicago Police Detective James Sherlock was CPD through and through His career had seen its share of twists and turns from his time working undercover to thwart robberies on Chicago s L trains to his side gig working security at The Jerry Springer Show to his years as a homicide detective He thought he had seen it all But on this day he was at the records center to see the case file for the murder of John Hughes who was seventeen years old when he was gunned down in a park on Chicago s Southwest Side on May 15 1976 The case had haunted many in the department for years and its threads led everywhere Police corruption Hints of the influence of the Chicago Outfit A crooked judge Even the belief that the cover up extended to hizzoner himself legendary Chicago Mayor Richard J Daley Sherlock expecting to retire within a year had a dream assignment working cold cases for the Chicago office of the FBI And with time for one more big investigation he had chosen this stubborn case More than forty years after the Hughes killing he was hopeful he could finally put the case to rest Then the records clerk handed Sherlock a thin manila folder A murder that had roiled the city and had been investigated for years had been reduced to a few reports and photographs What should have been a massive file with notes and transcripts from dozens of interviews was nowhere to be found Sherlock could have left the records center without the folder and cruised into retirement and no one would have noticed Instead he tucked the envelope under his arm and carried it outside

Murder & Mayhem in Chicago's Vice Districts Troy Taylor,2017-09-25 A trip through the history of the Windy City s lawless districts where you could lose your money and your life from the author of Haunted Illinois From the very beginning Chicago thrived on its reputation as a wide open town After the Great Fire no part of the city was rebuilt more quickly than the vice districts where bribed cops and brutal force emboldened professional wickedness to celebrate itself with gala events

like the First Ward Ball begun in honor of a madam's pianist and often so crowded that passed out drunks couldn't even fall to the floor Randolph Street was nicknamed Gambler's Row because men gambled with their lives by visiting it In Little Hell guns and knives could be rented by the hour In these seedy areas only put to sleep by Mickey Finn's knockout drinks or Gentle Annie's knockout punches it is no wonder that Detective Woolridge kept seventy-five disguises made twenty thousand arrests and was shot at forty-four times Includes photos **Bulletin of the Chicago Crime Commission**, 1920 **On the Spot** Edgar Wallace, **Shattered Sense of Innocence** Richard C Lindberg, Gloria Jean Sykes, 2016-07-20 This book tells the gripping story of the three murdered Chicago boys and the quest to find and bring to justice their killer The authors recount the bungled police investigation and a questionable conviction and present new information concerning two suspects overlooked by police for five decades

Murder In Chicago: Bestsellers in 2023 The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous compelling novels captivating the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the engaging narratives that have charmed audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This heartfelt tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Murder In Chicago : Delia Owens "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and suspenseful novel that will keep you wondering until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
