Murder For Profit:

Murder for Profit William Bolitho, 1935 *Serial Killing for Profit* Dirk C. Gibson, 2009-11-19 This is the first book to focus specifically on serial killers motivated by monetary gain. *Serial Killing for Profit: Multiple Murder for Money* addresses a gap in the existing literature by documenting one dozen of the most notorious perpetrators of commercial serial murder: murderers who kill to secure inheritances and pensions, to sell possessions or even the body itself, or as murderers for hire. In these pages, readers will encounter some of the nation's most infamous and disturbing criminals, including America's first serial killer, Herman Mudgett; Raymond Fernandez and Martha Beck, the Honeymoon Killers; Los Angeles's Night Stalker, Richard Ramirez; the Black Widow, Blanche Taylor Moore; and Dana Sue Gray, who killed three women for shopping money. Author Dirk Gibson gets to the twisted heart of each case, meticulously detailing the crimes, the victims, the hunt for the killers, the distinctive variations on the motive of killing for money, and the lessons learned by investigators in each instance. Everyone, from professional investigators to true crime aficionados, will be riveted by these stunning accounts. *Murder for Profit* William Bolitho, 1926 **Serial Killers Case Files** RJ Parker, 2015-11-18 This book provides an in-depth examination of serial murderers and their victims that includes the profiles of some of the most prominent murderers of our time. The author addresses various serial killer types: Organized and unorganized men, women, doctors, and unsolved murder cases. In this riveting book, an award-winning Canadian author delves into the gritty, gruesome details of the most notorious serial killers to strike the United States, Canada, and the UK, including the unidentified killers who may still be on the loose. Close to home, Parker compiles a thorough case file on husband and wife serial killers Paul Bernardo and Karla Homolka. In an amazing twist, Hybristophilia: Homolka pulls the wool over the Canadian Government, giving the crown yet another black eye. The horror genre is tremendously indebted to serial killers. A listing of books and movies that deal with serial killers would almost be a book in itself. Something about their twisted psychology and abhorrent acts has turned folks like John Wayne Gacy, Ted Bundy, Jeffrey Dahmer, David Berkowitz, and Andrei Chikatilo into household names and media figures. In *Serial Killer Case Files*, true crime author RJ Parker offers several cases that deal with the names above and also shines a light on killers that are not as present in popular culture but whose bloody actions are worse than any horror movie out there. *Killing for Profit* Mary Lorenz Dietz, 1983 Index, glossary, and bibliography included **Now & Then**, 1926

Murder for Profit David Elio Malocco, 2014-02-27 This is another intriguing book from the author of *Serial Sex Killers* and *Sexual Psychopaths*, which examines the serial killer who murders for profit. All in all, fourteen of the world's most notorious serial killers are profiled, including the Body Snatchers, William Burke and William Hare, William Palmer, the Prince of Poisoners, the Black Widows, Catherine Flannagan and Margaret Higgins French, serial killer Marcel Petiot, Dorothea Puente, the Sacramento Killer, Britain's worst serial killer, Harold Shipman, and Australia's worst serial killer, John Wayne Glover. The book asks the question as to whether William Palmer, Britain's most notorious poisoner, was given a fair trial or

whether his trial was politically motivated The author brings us into the curious and intriguing world of the Acid Bath Murderer British born John George Haigh who dissolved all his victims in vats of acid because he believed that if the police could not find a body then he could not be convicted for murder In a hugely entertaining chapter the author discusses America's first serial killer Dr H H Holmes who was convicted of multiple murder in 1895 and the possibility that Holmes and Jack the Ripper may have been the same person He sifts through the forensic evidence with many credible arguments made in favour of this sensational theory Read about Americans Martha Beck and Raymond Fernandez the Lonely Hearts Killers who were convicted in 1951 Fernandez was the Lothario who seduced and robbed single women who wrote to him in Lonely Hearts Clubs Martha was his lover and accomplice who helped him perfect his crimes One of the most unpleasant of all of these killers was American Richard Ramirez otherwise known as the Night Stalker who was convicted in 1988 Ramirez began his career as a thief and then graduated to burglary Later he added killing rape and sodomy to his repertoire An avowed Satanist he terrorized Los Angeles and later San Francisco in the 1980s Read about his particularly heinous crimes They are all here with all the arguments for and against their convictions and up to date information about each case so that you the reader can decide if these notorious killers truly deserved the punishment they received for the commission of their crime murder for profit
