My Hair Turning Gray Among Strangers Leroy Quintana, 1996 Poetry This new collection by one of the most recognized Chicano poets presents a vivid portrait of the traditional small town New Mexico of his youth from the vantage point of a departed son who yearns for the integrity and coherence of that world These deceptively simple story poems vivid snapshots of remembered people and places are punctuated by remarkable bilingual word play Although they are genuinely Chicano the poems address with humor and insight some of the central dilemmas of contemporary American life tradition versus progress belonging versus alienation and self fulfillment versus obligation My Hair Turning Gray Among Strangers Leroy Quintana, 1996 Poetry This new collection by one of the most recognized Chicano poets presents a vivid portrait of the traditional small town New Mexico of his youth from the vantage point of a departed son who yearns for the integrity and coherence of that world These deceptively simple story poems vivid snapshots of remembered people and places are punctuated by remarkable bilingual word play Although they are genuinely Chicano the poems address with humor and insight some of the central dilemmas of contemporary American life tradition versus progress belonging versus alienation and self fulfillment versus obligation Chicano and Chicana Literature Charles M. Tatum, 2022-07-26 The literary culture of the Spanish speaking Southwest has its origins in a harsh frontier environment marked by episodes of intense cultural conflict and much of the literature seeks to capture the epic experiences of conquest and settlement The Chicano literary canon has evolved rapidly over four centuries to become one of the most dynamic growing and vital parts of what we know as contemporary U S literature In this comprehensive examination of Chicano and Chicana literature Charles M Tatum brings a new and refreshing perspective to the ethnic identity of Mexican Americans From the earliest sixteenth century chronicles of the Spanish Period to the poetry and narrative fiction of the second half of the nineteenth century and the first half of the twentieth century and then to the flowering of all literary genres in the post Chicano Movement years Chicano a literature amply reflects the hopes and aspirations as well as the frustrations and disillusionments of an often marginalized population Exploring the work of Rudolfo Anaya Sandra Cisneros Luis Alberto Urrea and many more Tatum examines the important social historical and cultural contexts in which the writing evolved paying special attention to the Chicano Movement and the flourishing of literary texts during the 1960s and early 1970s Chapters provide an overview of the most important theoretical and critical approaches employed by scholars over the past forty years and survey the major trends and themes in contemporary autobiography memoir fiction and poetry The most complete and up to date introduction to Chicana o literature available this book will be an ideal reference for scholars of Hispanic and American literature Discussion questions and suggested reading included at the end of each chapter are especially suited for classroom use **Muy Macho** Ray Gonzalez, 1996-05-01 From the Homeboy to the Latin Lover America cherishes a host of images about Latino men yet all are based on the belief in macho men virile and brash full of violence and testosterone With the gender correctness of the 90s

challenging all men to embrace a new masculinity how do Latino men of today grounded in the macho tradition define this new identity From today s best known as well as emerging Latino writers poet and editor Ray Gonzalez has gathered personal essays written especially for *Muy Macho* on machismo and masculinity The result is a rich and exciting collection of men talking about themselves about other men about their wives and lovers about their fathers and their sons In *Me Macho* You Jane Dagoberto Gilb contrasts how he perceives himself with how others particularly women interpret his behavior while in *Whores* Luis Alberto Urrea chronicles a rite of passage for many Latino men Most insightful and moving are essays like *The Puerto Rican Dummy* and *the Merciful Son* by poet Martin Espada which portray the fragile love between fathers and sons and the process by which men learn from and teach each other how to be men *Muy Macho* contains photographs of all contributors while Gonzalez illuminates the cultural context of Latino masculinity in his introduction Emotionally honest and powerfully written the voices of *Muy Macho* break the cult of silence between Latino men which prevents our culture from understanding the true nature of machismo

My Hair Turning Gray Among Strangers , *A Poet's Truth* Bruce Allen Dick, 2022-02-22 Among students and aficionados of contemporary literature the work of Latina and Latino poets holds a particular fascination Through works imbued with fire and passion these writers have kindled new enthusiasm in their compatriots and admiration in non Latino readers This book brings together recent interviews with fifteen Latino poets a cross section of Chicano Puerto Rican and Cuban voices who discuss not only their work but also related issues that help define their place in American literature Each talks at length about the craft of his or her poetry both the influences and the process behind it and takes a stand on social and political issues affecting Latinos across the United States The interviews feature both established writers published as early as the 1960s and emerging artists each of whom has enjoyed success in other literary forms also As Bruce Dick s insightful questions reveal the key threads linking these writers are their connections to their families and communities and their concern for civil rights believing like Chicana writer Pat Mora that the work of the poet is for the people The interviews also reveal diversity among and within the three communities from Victor Hernandez Cruz who traces Latino collective identity to Africa and claims that all Latinos are swimming in olive oil to Cuban writer Gustavo Perez Firmat who considers nationality more important than ethnicity and says that the term Latino erases his nationality The dialogues also offer new insights on the place of Chicano writings in the U S Mexico borderlands on the Puerto Rican Nuyorican establishment and on the anti Castro stand of Cuban born poets As these writers answer questions about their work background ethnic identity and political ideology they provide a wealth of biographical intellectual and literary material collected here for the first time *A Poet's Truth* is a provocative and revealing book that not only conveys the fire of these writers passions but also sheds important light on a whole literary movement Interviews with Miguel Algar n Mart n Espada Sandra Mar a Esteves Victor Hernandez Cruz Carolina Hospital and Carlos Medina Demetria Mart nez Pat Mora Judith Ortiz Cofer Ricardo Pau Llosa Gustavo P rez Firmat Leroy Quintana Aleida Rodr guez Luis Rodr
