Michael L. Munk,1983 For more than a generation Rabbi Michael L Munk as a sidelight to his busy schedule of educational and communal work has fascinated audiences with his learned and provocative lectures on the Hebrew alphabet In the process of opening eyes and raising eyebrows he has convinced countless people that his contention is true the Hebrew alphabet abounds in scholarly and mystical meaning He has developed and proven a profound thesis The alphabet if correctly understood is a primer for life Ethical conduct religious guidance philosophical insights all are nestled in the curls crowns and combinations of the Hebrew letters This is one of those rare books that is both interesting and profound learned and readable The wisdom and compassion of the author is evident in those subtle ways that do not intrude on the reader but give him the satisfaction of knowing that a rich warm productive lifetime of experience is flavoring the text **Crescas: Light of the Lord (Or Hashem)** ,2018-10-18 This volume is the first complete English translation of Hasdai Crescas s Light of the Lord Light of the Lord is widely acknowledged as a seminal work of medieval Jewish philosophy and second in importance only to Maimonides Guide of the Perplexed Crescas takes on not only Maimonides but through him Aristotle and challenges views of physics and metaphysics that had become entrenched in medieval thought Once the Aristotelian underpinnings of medieval thought are dislodged Crescas introduces alternative physical views and reinstates the classical Jewish God as a God of love and benefaction rather than a self intellecting intellect The end for humankind then is to become attached in love to the God of love through devoted service **Boundaries** Brian N. Winslade,2018-12-13 In an age of moral relativity is there a place for rules They govern acceptable behavior on the sports field but do they have a position in general life and relationships 3 500 years ago a new nation emerged as Moses led the Israelites on a journey toward the land God had promised them They needed boundaries that would govern their worship interpersonal relationships and property and God wrote them down We refer to them as the Ten Commandments Over the centuries they have formed the basis for rule of law in most countries of the world defining boundaries of fairness and interaction within which we live and have our being But are they still relevant in and for the twenty first century Some regard them as anachronistic and outdated superseded by more enlightened thinking For others they are timeless Clearly Jesus regarded them as pertinent for all who follow him although in many instances he clarified their intent and application This book takes a fresh look at the boundaries God gave his emerging special race and how they apply in our current age a resource for pastors individual Christ followers and a discussion starter for small groups A Complete Concordance to the Holy Scriptures of the Old and New Testament Alexander Cruden,1828 **An Exposition of the Five Books of Moses** Matthew Henry,1707 **Light of the Lord (or Hashem)** Hasdai Crescas,2018 This is the first complete English translation of Hasdai Crescas s Light of the Lord a seminal work of medieval Jewish philosophy Crescas challenges the Aristotelian underpinnings of medieval thought introduces alternative physical and metaphysical theories and presents service to the God of love and benefaction as the goal for humankind **New-Church Messenger** ,1918 Holman Illustrated Bible Dictionary Chad Brand,Eric Mitchell,Holman
