Lee: A Biography* Emory M. Thomas, 1997-06-17 The best and most balanced of the Lee biographies New York Review of Books The life of Robert E Lee is a story not of defeat but of triumph triumph in clearing his family name triumph in marrying properly triumph over the mighty Mississippi in his work as an engineer and triumph over all other military men to become the towering figure who commanded the Confederate army in the American Civil War But late in life Lee confessed that he was always wanting something In this probing and personal biography Emory Thomas reveals more than the man himself did Robert E Lee has been and continues to be a symbol and hero in the American story But in life Thomas writes Lee was both more and less than his legend Here is the man behind the legend **From Arlington to Appomattox** Charles R. Knight, 2021-06-15 Brilliant really gives one a sense of what it took to both lead and run an army in the Civil War Superb Chris Kolakowski author of The Virginia Campaigns March August 1862 In From Arlington to Appomattox Charles Knight does for Robert E Lee and students of the Civil War what E B Long s Civil War Day by Day did for our understanding of the conflict as a whole This is not another Lee biography but it is every bit as valuable as one We know Lee rode out to meet the survivors of Pickett s Charge and accept blame for the defeat that he tried to lead the Texas Brigade in a counterattack to save the day at the Wilderness and took a tearful ride from Wilmer McLean s house at Appomattox But where was Lee and what was he doing when the spotlight

of history failed to illuminate him Focusing on what he was doing day by day offers an entirely different appreciation for Lee Readers will come away with a fresh sense of his struggles both personal and professional and discover many things about Lee for the first time through his own correspondence and papers From Arlington to Appomattox is a tremendous contribution to the literature of the Civil War Knight's study will become the standard reference work on Lee's daily wartime experiences R E L Krick author of Staff Officers in Gray A staggering work of scholarship Jeffry D Wert author of A Glorious Army Robert E Lee's Triumph 1862-1863 A pleasure to read Michael C Hardy author of General Lee's Immortals Keeps the reader engaged Journal of America's Military Past George Washington's Indispensable Men Arthur S.

Lefkowitz, 2018-09-01 While history has immortalized George Washington it has largely forgotten those who helped to propel him to greatness the thirty-two men who served as his aides de camp during the Revolutionary War Washington relied heavily on these men among them a young Alexander Hamilton for help in formulating policy and strategy George Washington's Indispensable Men details the fascinating and sometimes tragic lives of these aides providing a new and refreshing look at the American Revolution *James Merrill* Langdon Hammer, 2015-04-14 Langdon Hammer has given us the first biography of the poet James Merrill 1926-95 whose life is surely one of the most fascinating in American literature Merrill was born to high privilege and high expectations as the son of Charles Merrill the charismatic cofounder of the brokerage firm Merrill Lynch and Hellen Ingram a muse ally and antagonist throughout her son's life Wounded by his parents' bitter divorce he was the child of a broken home looking for repair in poetry and love This is the story of a young man escaping yet also reenacting the energies and obsessions of those powerful parents It is the story of a gay man inventing his identity against the grain of American society during the eras of the closet gay liberation and AIDS Above all it is the story of a brilliantly gifted fiercely dedicated poet working every day to turn his life into art After college at Amherst and a period of adventure in Europe Merrill returned to the New York art world of the 1950s he was friendly with W H Auden Maya Deren Truman Capote Larry Rivers Elizabeth Bishop and other midcentury luminaries and began publishing poems plays and novels In 1953 he fell in love with an aspiring writer David Jackson They explored boys and bars as they made their life together in Connecticut and later in Greece and Key West At the same time improbably they carried on a forty-year conversation with spirits of the Other World by means of a Ouija board The board became a source of poetic inspiration for Merrill culminating in his prizewinning uncanny one-of-a-kind work *The Changing Light at Sandover* In his virtuosic poetry and in the candid letters and diaries that enrich every page of this deliciously readable life Merrill created a prismatic art of multiple perspectives and comic self-knowledge expressing hope for a world threatened by nuclear war and environmental catastrophe Holding this life and art together in a complex evolving whole Hammer illuminates Merrill's chronicles of love loss and the poignant personal journey they record **James Solomon Russell** Worth Earlwood Norman, Jr., 2014-01-10 Born into slavery on a Virginia plantation in 1857 James Solomon Russell 1857-1935 rose to become one of the most
