The Ring and the Book, Books V-VIII Robert Browning, 1983 This is the second instalment of Browning's great murder story set in the Italy of the 1690s *The Ring and the Book* a poem which Henry James called a monstrous magnificence Here Browning lets the central characters of his

poem the corrupt aristocrat and murderer Franceschini his victim and her rescuer tell the story in their own words *The Old Yellow Book* John Marshall Gest, 1927 [A Commentary Upon Browning's The Ring and the Book](#) Arthur Kemball Cook, 1920 [Kojo Laing, Robert Browning and Affiliative Literature](#) Joseph Hankinson, 2022-12-13 This book compares the Victorian British poet Robert Browning and the twentieth century Ghanaian poet and novelist Kojo Laing two writers whose texts frequently foreground multi scalar transregional cartographies points of connection and translation and imaginative kinships between different linguistic and cultural communities Starting from the numerous and surprising points of connection and resemblance between both authors texts this book puts pressure on critical practices that would keep writers like Laing and Browning separate positing instead the importance of paying attention to the transnational cross cultural and cross temporal imaginative relationships texts themselves generate By comparing two writers whose texts represent different points of view on a number of shared and congruent contexts this book seeks an original way of understanding the relationship between texts and post colonial contexts texts and other texts Browning s and Laing s shared tendency to foreground trans and post national cartographies of relation and difference and their similarly translational aesthetics both demand a probing of the disciplinary separation between English Literature and Comparative Literature as well as literature and comparison and a fresh awareness of the ways in which literature itself makes comparisons and affiliations It also involves a version of world literature intent on accentuating the relational worlds linguistic imaginative ethical that texts themselves generate a criticism sensitive to the ways in which writers from different times and places can still be seen to overlap

The Vagabond in Literature Arthur Compton-Rickett, 2019-11-27 In *The Vagabond in Literature* Arthur Compton Rickett embarks on an incisive exploration of the archetype of the wanderer tracing its rich trajectory across various literary traditions The book deftly combines literary critique with autobiographical insights employing a lyrical style that often mirrors the journeys of its subjects Compton Rickett analyzes the nuanced representation of vagabondage in works from the Romantic period to the early 20th century examining figures such as Byron Thoreau and even the modernist depictions of transient identities His insights resonate with the themes of freedom existential questioning and societal critique that characterize these works providing a compelling contextual framework for understanding the persistently alluring nature of the vagabond in literature Arthur Compton Rickett was not only a scholar of literature but also a traveler himself allowing his personal experiences as a wanderer to inform his academic pursuits His broad background in English studies and a keen interest in social issues gave him the unique perspective necessary to delve deeply into the symbolism and significance of vagabondage These experiences of exploration and their inherent challenges are poignantly reflected in his literary analyses underlining the intricate relationship between life and literature *The Vagabond in Literature* is a must read for anyone intrigued by the complex interplay between identity and movement in literary history Compton Rickett s eloquent prose invites readers to reflect on their own connections to the themes of wandering and belonging This book not only sheds

light on classical literary forms but also encourages contemporary readers to consider the implications of vagabondage in today's increasingly transient world. In this enriched edition we have carefully created added value for your reading experience. Hand-picked Memorable Quotes shine a spotlight on moments of literary brilliance. Interactive footnotes clarify unusual references, historical allusions, and archaic phrases for an effortless, more informed read.

The Poetical Works of Robert Browning: Volume VII. The Ring and the Book, Books I-IV Robert Browning, 1983. This volume presents poetry Browning wrote in his seventies, his last two books, *Parleyings* 1887 and *Asolando* 1889. Both volumes are presented here with previously unknown sources, a wealth of new contextual material, and many textual nuances clarified, giving a fresh view of the last phase of Browning's career. What emerges is a poet more seriously Christian, Protestant, and Liberal than previously supposed, more interested in Britain's destiny and Empire, more enmeshed in the local battles of the 1880s, and a writer of considerable range and wit.
