Olden Days:

Curiosities of Olden Times Sabine Baring-Gould, 1869 **Richmond and Its Inhabitants from the Olden Times**
Richard Crisp, 1866 **Cheshunt in Olden Times. A Lecture, Etc** Arthur BROWN (Vicar of Dilham.), 1865 **Lake
George: Its Scenes and Characteristics, with Glimpses of the Olden Times** Benjamin Franklin DeCosta, 1868 A
New Chronology for Old Testament Times Jan Van Tuyl, 2012 This book brings solutions to a very great list of hitherto
unsolved chronological and synchronisation problems The reason why those solutions could be found lies in the extensive
research the author made in old and often rare texts instead of limiting himself to the near exclusive source of the Bible
Ample use has been made of information that is available in works like the Books of Enoch The Apocrypha The Legends of the
Jews The Seder Olam the Book of Jasher and many more as well as in the texts from known historians like Herodotus and the
famous Jewish historian and priest Flavius Josephus Just a few of the many special findings are The real reason why Joseph
was so popular with the Pharaoh Sarah was not Abraham's half sister Moses was uncircumcised and even forbade the ritual
for 40 years Terah was not 70 years old when he begat Abraham The exact period of the Judges when they started and when
they ended A solution for the verse of the about 450 years of Paul's speech Why did the Lord God give form and then blew
life into Adam Eve was not made out of Adam's rib but from another body part A solution to the impossible synchronism of
Judah and his sons Enoch made not one but 4 trips to Heaven The definitive answer why did King Josiah attack Necho II Why
did King Ahab not fight at Qarqar And many more The book has a unique style It has nothing of the study book difficult to
understand texts The subject is serious well researched and treated with respect But that does not mean that it cannot be
presented at a fast moving pace in easy to read style with here and there even a bit of humour The purpose of the book is to
prove that the promise that the Lord God made to Adam was kept It held that there would be exactly 5500 years between the
arrival of Adam in this world and the arrival of Christ Every person who was of importance in that timespan has been visited
For every single one there are his years of birth and death or the years of his rule Every person has a short story about some
important part of his life his actions or the influence he had on the history of the Hebrew people that lived in that period

The Story of Lancaster: Old and New William Riddle,1917 **Raymond Chandler, Romantic Ideology, and the Cultural Politics of Chivalry** Anthony Dean Rizzuto,2021-12-03 Raymond Chandler Romantic Ideology and the Cultural Politics of Chivalry responds to the general consensus that Philip Marlowe represents a chivalric knight out of romance The book argues that this commonplace reading requires a stunningly rosy rewriting of Marlowe knighthood chivalry and romance The book offers a history of the cultural politics of chivalry from the Middle Ages through British Romanticism to the modern United States exposing the elitism violent masculinism racism and ethno national othering harbored within Rizzuto also considers the survival of the chivalric ideology after World War I and argues that the narrative of the Great War destroying chivalry rewrites the ghastly history of warfare Touching on Chandler throughout these cultural histories the book then directly confronts the question of knighthood and romance in the Marlowe novels Rizzuto identifies an explicit rejection of romance in the service of hardboiled gender class and genre norms including a seldom remarked pattern of violence against women and sexual assault The volume concludes by offering some ideas about Chandler s motivations and the reception of the Marlowe novels

80 Old Testament Characters of World History: Chronological,

Historical and Archaeological Evidence Gerard Gertoux, 2016-02-27 Despite the fact that the name of many characters mentioned in the Old Testament like David King of Israel have been recently confirmed by archaeology as well as their epoch and the events in which they were involved most archaeologists continue to deny the historicity of the Bible they view as pious fiction or a mythical account They argue that the major events in the Bible such as the victory of Abraham against Chedorlaomer an unknown king of Elam around 2000 BCE the victory of Moses against an unknown Pharaoh around 1500 BCE or the victory of Esther an unknown Persian Queen against an unknown vizier of Xerxes never existed because they left absolutely no evidence They also explain that according to what we know today these events could not have occurred These logical arguments are impressive but a precise chronological analysis based on absolute dates coupled with a rigorous historical investigation shows that all those major events really took place at the dates and places indicated
