Oldest Living Confederate Widow Tells All A Novel:

Oldest Living Confederate Widow Tells All Allan Gurganus, 2001-10-16 Allan Gurganus's Oldest Living Confederate Widow Tells All became an instant classic upon its publication. Critics and readers alike fell in love with the voice of ninety-nine year old Confederate widow Lucy Marsden, one of the most entertaining and loquacious heroines in American literature. Lucy married at the turn of the twentieth century when she was fifteen and her husband was fifty. If Colonel William Marsden was a veteran of the War for Southern Independence, Lucy became a veteran of the war with a unique perspective on Southern history and Southern manhood. Lucy's story encompasses everything from the tragic death of a Confederate boy soldier to the feisty narrator's daily battles in the Home, complete with visits from a mohawk-coiffed candy striper. Oldest Living Confederate Widow Tells All is a marvel of narrative showmanship and proof that brilliant emotional storytelling remains at the heart of great fiction. Unforgettable THE NEW YORK TIMES BOOK REVIEW Lucy Marsden is narrowing in on her 100th birthday. She had been married to her husband William More Marsden since she was fifteen. But Willie, a veteran of the Civil War, never recovered from his youthful foray into battle and more importantly, the loss of his closest friend. And the stories Lucy has to tell of the war, Willie, her life with him, and the tales she heard from his one-time slave, Castalia, call to mind a time and a place, a history, and a legacy that is not soon forgotten and a call to justice that never should be. An old-fashioned book lover's novel.

CHICAGO TRIBUNE **Oldest Living Confederate Widow** Allan Gurganus, Jane Holding, 2008 Lucy Marsden, 99 years old, scares and charms us as the widow of the American Civil War's last surviving soldier. His child bride and the mother of his nine children, she now lives alone, the survivor of the survivor. A born storyteller, a woman of passion and compassion, she finally confesses her own marriage as the secret history of War itself. The role of Lucy, funny, irreverent, candid, and heartfelt, offers the actress of any age a sampler for her every emotion and available skill. By the time her telling is complete, we feel the full terror and pity of the domestic life and the Civil War combined. Based on the classic best-selling novel Oldest Living Confederate Widow Tells All, this one-woman aria for stage constitutes a new work of art, fresh, humorous, and terrifying. Oscar and Tony winner Ellen Burstyn created the role on Broadway. **Oldest Living Confederate Widow Tells All** Allan

Sherman's March in Myth and Memory Edward Caudill, Paul Ashdown, 2009-10-16 General William Tecumseh Sherman's devastating March to the Sea in 1864 burned a swath through the cities and countryside of Georgia and into the history of the American Civil War As they moved from Atlanta to Savannah destroying homes buildings and crops killing livestock and consuming supplies Sherman and the Union army ignited not only southern property but also imaginations in both the North and the South By the time of the general's death in 1891 when one said The March no explanation was required That remains true today Legends and myths about Sherman began forming during the March itself and took more definitive shape in the industrial age in the late nineteenth century Sherman's March in *Myth and Memory* examines the emergence of various myths surrounding one of the most enduring campaigns in the annals of military history Edward Caudill and Paul Ashdown provide a brief overview of Sherman's life and his March but their focus is on how these myths came about such as one description of a 60 mile wide path of destruction and how legends about Sherman and his campaign have served a variety of interests Caudill and Ashdown argue that these myths have been employed by groups as disparate as those endorsing the Old South aristocracy and its Lost Cause and by others who saw the March as evidence of the superiority of industrialism in modern America over a retreating agrarianism Sherman's March in *Myth and Memory* looks at the general's treatment in the press among historians on stage and screen and in literature from the time of the March to the present day The authors show us the many ways in which Sherman has been portrayed in the media and popular culture and how his devastating March has been stamped into our collective memory
