Block, 2021-03-15 Remembering

Rosie is about Block s childhood on a Wisconsin dairy farm in the mid twentieth century Growing up on the homestead with her parents and siblings was often idyllic Still it never stopped Block from dreaming of making a different life for herself despite many obstacles she d face in trying to leave the land her German great grandparents settled in the 1880s Block and her siblings experienced long hours of tedious and dangerous work Educational opportunities were limited and the Ludwig children s one room school had poorly trained teachers and few books There was no expectation of girls going on to higher

education Block's observations of her depressive mother the drudgery of farm life and the short cruel lives of farm animals were driving forces that made her take a path less followed During a time when going against the grain was difficult Block's restlessness and desire to see a world outside her sheltered community catapulted her into a life that the blue eyed blond haired farm girl never could have imagined Life Among the Lutherans Garrison Keillor,2010 I don't know much about Lutherans and that is one reason I've told stories about them over the years so I could learn From the Introduction Based on Garrison Keillor's Lake Wobegon monologues Life among the Lutherans is a collection of stories about the struggles of ordinary people in an imperfect world the life and work of the pastor who leads them and the church to whose high standards they aspire in the small town they call home The stories in Life among the Lutherans reflect everything Keillor fans have come to expect of this master storyteller Some are familiar including the quintessentially Lutheran 95 Theses from Lake Wobegon Days others are new Laugh out loud about the church directory filled with photos that are just plain awful Share the moment when Pastor Ingqvist receives a leather bound copy of his sermons Keillor's command of every little detail of life in Lake Wobegon is bound to entertain surprise and make readers even those who aren't Lutheran feel right at home in the mythical community where all the women are strong all the men are good looking and all the children are above average
