Oleana The Ole Bull Colony

**Merle Eugene Curti, La Wanda C.
Fenlason Cox, United States.
Immigration and Naturalization
Service**

Oleana The Ole Bull Colony:

Oleana Paul Heimel, 2002 **Ole Bull** Einar Haugen, Camilla Cai, 1993 A child prodigy Bull was admitted to the Bergen orchestra as first violin at the age of eight He soon was idolized on both sides of the Atlantic for his superb improvisations and his ability to play the violin polyphonically Though he was hailed as the Paganini of the North some critics labeled him a charlatan for his apparently magic tricks on the violin Bull counted among his friends the great names of his era Schumann and Liszt Emerson and Wagner Longfellow and Hans Christian Andersen modeled characters on him and he was in part the inspiration for Ibsen's Peer Gynt Although he spent most of his adult life abroad Bull was a tireless promoter of Norwegian art and culture His concert improvisations were rooted in his native slatter folkdance tunes and he modified his own instrument using the Norwegian Hardanger fiddle as a model By mid century Bull realized his dream of establishing a national theater in Bergen He gave Henrik Ibsen a start in theater management employed the poet Bjørnstjerne Bjørnson and promoted the music of Edvard Grieg His attempt to establish a Norwegian colony Oleana in the United States however failed through poor management The words of the poet Aasmund Vinje That surely would be a man to write a book about have been taken to heart by authors Einar Haugen and Camilla Cai In addition to providing the first comprehensive listing of Bull's works with full descriptions of all known sources analyses of his compositions and their influences and reviews of his performances this biography gives life once again to a fascinating and flamboyant figure **The Violin** Mark Katz, 2006 This book is the only complete and up to date annotated bibliography available on women's activities and contributions in the creation and performance of music through the ages Encompassing major books articles and recordings published over the past five decades the book examines a broad cross section of contemporary thought with each entry with over 500 devoted to resources from countries outside the US including annotation along with a critical description of content **Modern American Drama: Playwriting in the 1980s** Sandra G. Shannon, 2019-11-14 The Decades of Modern American Playwriting series provides a comprehensive survey and study of the theatre produced in each decade from the 1930s to 2009 in eight volumes Each volume equips readers with a detailed understanding of the context from which work emerged an introduction considers life in the decade with a focus on domestic life and conditions social changes culture media technology industry and political events while a chapter on the theatre of the decade offers a wide ranging and thorough survey of theatres companies dramatists new movements and developments in response to the economic and political conditions of the day The work of the four most prominent playwrights from the decade receives in depth analysis and re evaluation by a team of experts together with commentary on their subsequent work and legacy A final section brings together original documents such as interviews with the playwrights and with directors drafts of play scenes and other previously unpublished material The major playwrights and their plays to receive in depth coverage in this volume include David Mamet Edmond 1982 Glengarry Glen Ross 1984 Speed the Plow 1988 and Oleanna 1992 David Henry Hwang Family Devotions 1981 The Sound of

a Voice 1983 and M Butterfly 1988 Maria Irene Fornes The Danube 1982 Mud 1983 and The Conduct of Life 1985 August Wilson Ma Rainey's Black Bottom 1984 Joe Turner's Come and Gone 1984 and Fences 1987 *Norwegian Migration to America ...* Theodore Christian Blegen, Norwegian-American Historical Association, 1931 *The Promise of America* Odd Sverre Lovoll, 1999

Land of Their Choice Theodore Christian Blegen, 1955-01-01 Land of Their Choice was first published in 1955 Minnesota Archive Editions uses digital technology to make long unavailable books once again accessible and are published unaltered from the original University of Minnesota Press editions This collection of American letters that immigrants wrote to friends and relatives in the lands they had left tells a little known human story that is part of the larger saga of America It constitutes a kind of composite diary of everyday people at the grass roots of American life The letters published here written by Norwegian immigrants in the middle of the nineteenth century are truly representative of a great body of historical material literally millions of such letters that immigrants of every nationality wrote to the people back home Describing their journeys the new country the problems and pleasures of daily life the letters afford new insight into the American past and at the same time reflect the image of America that was projected into the minds of Europeans in an era when millions were crossing the seas and moving west The letters were written from many different parts of the United States Many relate the experiences of settlers in the Middle West particularly in Illinois Wisconsin Iowa and Minnesota But there are also accounts of pioneer life in Texas and as far away from the Atlantic crossing as California The story of Oleana the ill fated Utopian project established in Pennsylvania by the famous Norwegian violinist Ole Bull is revealed in a collection of letters written by settlers in this project An English translation of the amusing ballad of Oleana adds verve to this section Another fascinating portion of the volume is devoted to first hand accounts of the transatlantic gold rush that drew Norwegians directly by ship from their native land to California in the 1850s There are some letters written by leaders in Norwegian American history such as Johann R Reiersen who was a well known newspaper editor in Christianssand Norway before he migrated to America and the Rev J W Dietrichson who sought to establish the Church of Norway on American soil and whose letters now translated into English for the first time relate his experiences in Wisconsin

Mystery on the Isles of Shoals J. Dennis Robinson, 2014-11-18 For the first time the full story of a crime that has haunted New England since 1873 The cold blooded ax murder of two innocent Norwegian women at their island home off the coast of New Hampshire has gripped the region since 1873 beguiling tourists inspiring artists and fueling conspiracy theorists The killer a handsome Prussian fisherman down on his luck was quickly captured convicted in a widely publicized trial and hanged in an unforgettable gallows spectacle But he never confessed and while in prison gained a circle of admirers whose blind faith in his innocence still casts a shadow of doubt A fictionalized bestselling novel and a Hollywood film have further clouded the truth Finally a definitive whodunnit account of the Smuttynose Island ax murders has arrived Popular historian J Dennis Robinson fleshes out the facts surrounding this tragic robbery gone wrong in a captivating true crime page turner Robinson

delves into the backstory at the rocky Isles of Shoals as an isolated centuries old fishing village was being destroyed by a modern luxury hotel He explores the neighboring island of Appledore where Victorian poet Celia Thaxter entertained the elite artists and writers of Boston It was Thaxter s powerful essay about the murders in the Atlantic Monthly that shocked the American public Robinson goes beyond the headlines of the burgeoning yellow press to explore the deeper lessons about American crime justice economics and hero worship Ten years before the Lizzie Borden ax murder trial and the fictional Sherlock Holmes Americans met a sociopath named Louis Wagner and many came to love him **Vikings in the Attic** Eric Dregni,2013-11-30 Growing up with Swedish and Norwegian grandparents with a dash of Danish thrown in for balance Eric Dregni thought Scandinavians were perfectly normal Who doesn t enjoy a good healthy salad Jell O packed with canned fruit colored marshmallows and pretzels or perhaps some cod soaked in drain cleaner as the highlights of Christmas Only later did it dawn on him that perhaps this was just a little strange but by then it was far too late he was hooked and a dyed in the wool Scandinavian himself But what does it actually mean to grow up Scandinavian American or to live with these Norwegians Swedes Finns Danes and Icelanders among us In Vikings in the Attic Dregni tracks down and explores the significant and quite often bizarre historic sites tales and traditions of Scandinavia s peculiar colony in the Midwest It s a legacy of the unique collecting silver spoons a suspicion of flashy clothing shots of turpentine for the common cold and a deep love of rhubarb pie but also one of poor immigrants living in sod houses while their children attend college the birth of the co op movement the Farmer Labor party and government agents spying on Scandinavian meetings hoping to nab a socialist or antiwar activist For all the tales his grandparents told him Dregni quickly discovers there are quite a few they neglected to mention such as Swedish egg coffee which includes the eggshell and Lutheran latte which is Swedish coffee with ice cream Vikings in the Attic goes beyond the lefse lutefisk and lusekofter lice jacket sweaters to reveal the little known tales that lie beneath the surface of Nordic America Ultimately Dregni ends up proving by example why generations of Scandinavian Americans have come to love and cherish these tales and traditions so dearly Well almost all of them See lutefisk *Coon Valley* Hjalmar Rued Holand,1928 Historical Dictionary of Norway Terje Leiren,Jan Sjøvik,2019-10-08 Norway has a thousand year history from the Vikings 750 1100 to modern times Historically a poor country on Europe s periphery its natural resources and hardy people have established a successful modern welfare state Norway has exploited its natural resources of fish water oil and gas to become one of Europe s most successful small states This second edition of I contains a chronology an introduction and an extensive bibliography The dictionary section has over 300 cross referenced entries on important personalities politics economy foreign relations religion and culture This book is an excellent resource for students researchers and anyone wanting to know more about Norway **Introduction to America** Merle Eugene Curti,La Wanda C. Fenlason Cox,United States. Immigration and Naturalization Service,1944 *Land of Their Choice* Blegen, **Common Ground** Louis Adamic,1944 **Gestörte Kommunikation im amerikanischen Drama** Marion Hebach,2006 *Across*

the Deep Blue Sea Odd Sverre Lovoll, 2015-02 Across the Deep Blue Sea investigates a chapter in Norwegian immigration history that has never been fully told before Odd S Lovoll relates how Quebec Montreal and other port cities in Canada became the gateway for Norwegian emigrants to North America replacing New York as the main destination from 1850 until the late 1860s During those years 94 percent of Norwegian emigrants landed in Canada After the introduction of free trade Norwegian sailing ships engaged in the lucrative timber trade between Canada and the British Isles Ships carried timber one way across the Atlantic and emigrants on the way west For the vast majority landing in Canadian port cities Canada became a corridor to their final destinations in the Upper Midwest primarily Wisconsin and Minnesota Lovoll explains the establishment and failure of Norwegian colonies in Quebec Province and pays due attention to the tragic fate of the Gaspé settlement A personal story of the emigrant experience passed down as family lore is retold here supported by extensive research The journey south and settlement in the Upper Midwest completes a highly human narrative of the travails endurance failures and successes of people who sought a better life in a new land Odd S Lovoll professor emeritus of history at St Olaf College and recipient of the Fritt Ords Honn r for his work on Norwegian immigration is the author of numerous books including *Norwegians on the Prairie* and *Norwegian Newspapers in America* Managerial Capitalism Gérard Duménil, Dominique Lévy, 2018-03-20 The debate around growing inequality is raging amongst economists and Marxists are finding new ways to map out the modern economy Managerial Capitalism introduces a new way of understanding the changing structure of our economy through the emergence and behaviour of a new class managers In the post war years as social democracy reigned managers tended to form compromises with workers However under neoliberalism allegiances have shifted Today a new alliance is forming between managers and capitalist owners changing the nature of the hierarchy of power under capitalism Additionally the authors argue this is happening much faster and universally than was previously thought By applying Marx's basic concepts to the reality of the system today through the use of extensive data sets as well as firmly rooting the argument in its historical context Managerial Capitalism updates Marxism for the twenty first century through showing how the modes of production today are shaped by a new class that must be understood if it is to be challenged **Pennsylvania Cavalcade**, 2016-11-11 This book is a volume in the Penn Press Anniversary Collection To mark its 125th anniversary in 2015 the University of Pennsylvania Press rereleased more than 1 100 titles from Penn Press's distinguished backlist from 1899 1999 that had fallen out of print Spanning an entire century the Anniversary Collection offers peer reviewed scholarship in a wide range of subject areas *News of Norway*, 2002 **Culture and Customs of Norway** Margaret Hayford O'Leary, 2010-09-16 This thorough introduction to modern day Norway and Norwegian culture shows the impact a small country can have on the world in terms of peace building environmental issues technological innovation and more Culture and Customs of Norway provides an up to date view of Norway showcasing a nation that is part of modern Europe yet zealously maintains its own culture and identity Providing the most current information on a broad

range of topics including cinema literature food art performing arts and architecture the book also places modern day Norway in a historical context that makes it possible to understand how Norwegian culture came to be as it is today Readers will discover a nation that is a fascinating juxtaposition of advanced technology especially in such fields as oil production and climate and some of the most spectacular natural beauty in the world They will read about such famous writers artists and composers as Henrik Ibsen Edvard Munch and Edvard Grieg And they will discover how Norway confronts the challenges of modern society without sacrificing its social democratic philosophy of social justice and shared responsibility both at home and globally

Whispering the Secrets of Language: An Mental Quest through **Oleana The Ole Bull Colony**

In a digitally-driven world wherever displays reign great and instant connection drowns out the subtleties of language, the profound strategies and psychological nuances concealed within words frequently move unheard. However, located within the pages of **Oleana The Ole Bull Colony** a charming literary treasure pulsating with raw emotions, lies a fantastic journey waiting to be undertaken. Written by a talented wordsmith, that charming opus encourages viewers on an introspective trip, softly unraveling the veiled truths and profound affect resonating within the very fabric of every word. Within the mental depths of this poignant evaluation, we shall embark upon a genuine exploration of the book is key subjects, dissect its fascinating publishing style, and fail to the strong resonance it evokes deep within the recesses of readers hearts.
