Olivi And The Interpretation Of Matthew In The High Middle Ages:

Olivi and the Interpretation of Matthew in the High Middle Ages Kevin Madigan, 2003 In this work Kevin Madigan studies the development and union of scholastic apocalyptic and Franciscan interpretations of the Gospel of Matthew from 1150 to 1350 These interpretations are placed within the context of high medieval religious life and attitudes of the papacy toward the Franciscan Order Madigan uses the fortunes of the Franciscan Peter Olivi d 1298 and his commentary on Matthew as a lens through which to observe the larger theological and ecclesiastical developments of this era scholastic gospel community tradition in the schools of Laon and Paris The second section of the book offers a detailed examination of the Treatise on the Four Gospels by the famed apocalyptic writer Joachim of Fiore Finally Madigan turns his attention to the disputes which plagued the Franciscan Order during the first century of its existence little known work is perhaps the only Matthew commentary in the high Middle Ages to have been influenced by Joachim s apocalyptic thought and shaped by internal and external disagreements over the highest form of religious life Filled with severe criticisms of the hierarchy and leadership of the Church Olivi s Matthew commentary was examined and eventually condemned by papally appointed theologians in the early 14th century

The Discernment of Spirits Wendy Love Anderson, 2011 Anderson succeeds in neatly fitting together selected pieces of the history of discernment of spirits to provide a valuable readable description of the contours of its evolution in the late Middle Ages Debra L Stoudt Virginia Polytechnic Institute and State University The Medieval Review Late medieval Christians lived in a world of visions but they knew that not all visions came from God angels demons illness nature or passion could also inspire an apparent divine visitation During the thirteenth and fourteenth centuries the involvement of visionaries in everything from reform movements to military campaigns to papal schisms raised the political and spiritual stakes of determining whether or not a vision was truly from God In response a diverse group of medieval thinkers including men and women clergy and laity visionaries and theologians gradually began to transform the loose patristic readings of Pauline *discretio spirituum* into a system with the potential to distinguish between true and false visions and between genuine and delusional visionaries Wendy Love Anderson chronicles the historical political and spiritual struggles behind the flowering of late medieval mysticism and what came to be seen as the Christian doctrine of discernment of spirits

Defenders and Critics of Franciscan Life Michael F. Cusato, Guy Geltner, 2009 The essays in this volume were presented at a conference honoring John V Fleming at Princeton University on April 21 22 2004 The aim of the conference was to revisit Fleming s 1977 book *An Introduction to the Franciscan Literature of the Middle Ages* from a number of different perspectives including social religious and literary history as well as art exegesis political thought and the history of education A prominent but not exclusive theme of the contributions is the distinction between defenders and critics of medieval Franciscanism Recent scholarship has shown that the dividing line between medieval defenders and critics of Franciscan life was not as sharp or as clear as had once been thought This more nuanced approach to medieval

Franciscanism is a reflection of the many scholarly developments that have occurred since and as a result of Fleming's volume *The present work offers a selection of current approaches to the question* *Biblical Commentary and Translation in Later Medieval England* Andrew Kraebel, 2020-03-05 A new history of the origins of the English Bible revealing the complex continuities between Latin commentaries and English translations Theological Interpretation of Scripture as Spiritual Formation, 2022-12-19 Academic expertise is essential But have you ever wondered how it itself is spiritually formative This book coming from an interdisciplinary assortment of scholars shows how the exegetical methods of Theological Interpretation of Scripture TIS are themselves spiritually formative This book provides a diverse collection of essays that focus on theological interpretative methods that result in a unique transformational experience not achieved through historical critical or grammatical historical approaches alone Renowned thinkers such as biblical scholar Ben Witherington III historical theologian Mark Elliott and theologian Arthur Sutherland offer new works that explore how reading theologically can transform theology cultures and individuals These new studies focus on the theological exegesis of such thinkers as Mother Teresa Thomas Aquinas Ignatius of Antioch and Clement of Alexandria The collection also includes several important and timely pieces that show how theological interpretation leads to moral formation within diverse cultural groups including African American and Latinx communities Interpretation of Scripture Franklin T. Harkins, Franklin T. Harkins and Frans van Liere (eds.), 2013 Starting from the theory of scriptural interpretation elaborated by Hugh of St Victor the Augustinian Canons of twelfth century St Victor in Paris were leading theorists and practitioners of scriptural exegesis This volume contains translations of the exegetical theories elaborated in Hugh of St Victor's d 1141 *Didascalicon On Sacred Scripture and its Authors The Diligent Examiner and On the Sacraments* prologues Andrew of St Victor's d 1175 prologues to select commentaries Richard of St Victor's d 1173 *Book of Notes and Apocalypse* commentary Godfrey of St Victor's *Fountain of Philosophy* Robert of Melun's *Sentences* and the anonymous *Speculum on the Mysteries of the Church* Radical Christian Voices and Practice Zoë Bennett, David B. have on Judeo Christian civilization Known as the Church s Gospel Matthew s text has been the subject of apologetic and theological controversy for hundreds of years It has been seen as justification for political and ecclesial status quo and as a path to radical discipleship Matthew has influenced divergent political spiritual and cultural figures such as Francis of Assisi John Ruskin Leo Tolstoy Dietrich Bonhoeffer and Mahatma Gandhi Matthew s interest in ecclesiology provides early structures of ecclesial life such as resolution of community disputes communal prayer and liturgical prescriptions for the Eucharist and baptism A significant addition to the acclaimed Blackwell Bible Commentaries series Matthew Through the Centuries is an indispensable resource for both students and experts in areas including religious and biblical studies literature history politics and those interested in the influence of the Bible on Western culture

Ritual Memory Els Rose,2009 Ritual Memory brings together two areas of study which have hitherto rarely been studied in comparison liturgy and the apocryphal Acts of the Apostles The book gives an analysis of the liturgical celebration of the apostles in the medieval West and examines the incorporation of the apocrypha in practices of ritual commemoration It reveals the role that liturgy played in the transmission of the apocryphal Acts and visualises the way these narrative traditions developed and changed through their incorporation into a ritual context The result is a dynamic picture of the ritual reception of the extra canonical Acts in the Latin Middle Ages where the apocryphal legends about the apostolic past were approached as memorable traditions on the origins of Christianity

Heresy and the Making of European Culture Andrew P. Roach,James R. Simpson,2016-04-22 Scholars and analysts seeking to illuminate the extraordinary creativity and innovation evident in European medieval cultures and their afterlives have thus far neglected the important role of religious heresy The papers collected here reflecting the disciplines of history literature theology philosophy economics and law examine the intellectual and social investments characteristic of both deliberate religious dissent such as the Cathars of Languedoc the Balkan Bogomils the Hussites of Bohemia and those who knowingly or unknowingly bent or broke the rules creating their own unofficial orthodoxies Attempts to understand police and eradicate all these through methods such as the Inquisition required no less ingenuity The ambivalent dynamic evident in the tensions between coercion and dissent is still recognisable and productive in the world today

identifies scriptural theological and philosophical sources to support the adoption of a community of creation paradigm Drawing on postcolonial theory this book proposes the concept of planetarity as a framework for conceiving the relationship between human and nonhuman creation and the Creator in a new way This theoretical framework is grounded by a retrieval of the medieval Franciscan theological and philosophical tradition The result is what can be called a postcolonial Franciscan theology of creation imagined in terms of planetarity providing a constructive and nonanthropocentric response to the need for a new conceptualization of the doctrine of creation Medieval Readings of Romans William S. Campbell, Peter S. Hawkins, Brenda Deen Schildgen, 2007-11-15 This sixth volume of the Romans through History and Culture series consists of 14 contributions by North American and European medievalists and Pauline scholars who discuss significant readings of Romans through the twelfth and thirteenth centuries to the eve of the Reformation The commentaries of Abelard William of St Thierry Thomas Aquinas and Nicolas of Lyra and the wider influence of Romans as reflected in the letters of Heloise and the works of Dante demonstrate the reception of Romans at this period Starting with an introduction inviting the reader to into the biblical environment of the Middle Ages and suggesting the varied ways in which Paul was understood in both high clerical culture and among the people it also offers a summary of the work done by each of the authors This volume attests the dominant role of scripture in communal life and witnesses to the pervasive influence of Paul's letter to the Romans in the flourishing discussions on Scripture and theology

Out of the Cloister: Scholastic Exegesis of the Song of Songs, 1100-1250 Suzanne LaVere, 2016-03-11 The Song of Songs was one of the most frequently interpreted biblical books of the Middle Ages Most scholarly studies concentrate on monastic interpretations of the text which tend to be contemplative in nature In *Out of the Cloister* Suzanne LaVere reveals a particularly scholastic strain of Song of Songs exegesis in which cathedral school masters and mendicants in and around 12th and 13th century Paris read the text as Christ exhorting the Church and clergy to lead an active life of preaching instruction conversion and reform This new interpretation of the Song of Songs both reflected and influenced an era of far reaching Church reform and offered a program for secular clergy to combat heresy and apathy among the laity

The Multiple Meaning of Scripture Ineke Van 't Spijker, 2009-02-28 From the beginning

of the Christian era and throughout the Middle Ages biblical interpretation was the field where theological philosophical and political matters were discussed At the same time Scripture s interpretation required the exploration of hermeneutical positions about how a literal and a hidden meaning could be established and how they related to each other Ranging from early Christian concerns about the text of the Bible itself via Carolingian biblical commentaries and the ever more diverse interpretations from the twelfth century and onwards to the literary implications of Jewish commentary the articles in this volume examine biblical exegesis both as a discourse on theology philosophy and politics and as the context for discussions on its underlying interpretative principles Contributors are J K Kitchen Katja Vehlow Caroline Chevalier Royet Sumi Shimahara Ian Christopher Levy Pierre Boucaud Elisabeth M gier C dric Giraud Wanda Zemler Cizewski Ineke van t Spijker Eva De Visscher Alexander Fidora Frans van Liere and Robert A Harris Nicholas of Lyra's Place in Franciscan Exegesis James M.
