Promoting Reading for Pleasure in the Primary School Michael Lockwood,2008-06-24 Winner of the UKLA Author Award 2009 Lockwood has written a useful supportive book which will help teachers and librarians He describes the background and summarises the research and then proposes thoroughly

practical programmes Carousel Michael Lockwood has produced an excellent practical overview and analysis of what works in the primary school to promote reading for pleasure Lockwood's work is grounded and valuable to those who need it most teachers in the classroom working hard to engender a love of reading English Drama Media This book is first class It puts the matter very clearly and succinctly and presents a great deal of evidence to support the argument that pleasure is not a frivolous extra but the very heart and essence of what reading is about It also gives readers plenty of ideas for carrying the principle into the classroom and for justifying it This is an excellent piece of work which I hope will find a place on every staffroom bookshelf Philip Pullman English primary school children are less likely to read for pleasure than their counterparts in many other countries This practical and focused book discusses the background to this situation and looks at how government initiatives have tried to address it Drawing on the author's own research project in order to identify good practice in promoting reading for enjoyment the book presents specific activities which teachers can use to develop their own whole school and classroom practice enabling them to put the fun back into reading Each chapter features case study material and provides examples of planning from schools that have successfully created thriving reading cultures through schemes such as reading assemblies book clubs library loyalty cards school book evenings and quizzes There is also an extensive annotated list of print and internet based resources Topics covered include Becoming a reading for pleasure school Promoting a love of reading in the early years Developing reading enjoyment in the later primary years Getting boys reading Promoting Reading for Pleasure in the Primary School is written for all those involved in education who would like to see as many children as possible develop a love of reading It will be particularly relevant for primary teachers teaching assistants trainee teachers advisers and consultants as well as teacher educators and researchers *Teaching Life Skills in the School Library* Blanche Woolls, Connie Hamner Williams, 2019-03-08 Drawing on stories from successful programs and research this book shows librarians how to provide students with the practical information they need for a bright future Chapters cover career readiness financial literacy and civic responsibility at each grade level From preschool through high school students are preparing for their future As they move through grade levels they choose courses research potential careers learn about managing money and recognize the responsibilities of being active citizens At each step of the way librarians can collaborate with teachers to help students to learn how to live in a world they can only imagine School librarians are positioned to make a positive impact on students' lives when it matters most Focusing on preparation for life after high school this book cites research and provides anecdotes of successful programs as examples of how school librarians in collaboration with counselors community members public libraries and teachers can develop collections and offer programming to show students the importance of finishing high school Chapters also explain how to help students to find the college or university that fits with their educational interests and won't cause them to incur enormous debt Included in every chapter are activities resources and lesson plans around topics at each grade level for librarians to co-teach with teachers counselors and
