Omaggio A Balthus

James G. Ballard

Omaggio A Balthus:

Balthus Nicholas Fox Weber, 2013-09-25 The first full scale biography of one of the most elusive and enigmatic painters of our time the self proclaimed Count Balthus Klossowski de Rola whose brilliantly rendered markedly sexualized portraits especially of young girls are among the most memorable images in contemporary art The story of Balthus s life has been shrouded by contradiction and hearsay most of it his own invention over the years he created for himself a persona of mystery aristocracy and glamour Now in Nicholas Fox Weber s superb biography Balthus the man and the artist stands revealed as never before He was born in Paris in 1908 to Polish parents At age twelve he first stepped into the spotlight with the publication of forty of his drawings illustrating a story about a cat by Rainer Maria Rilke who was then Balthus s mother s lover and a crucial influence on the young boy From that moment Balthus has never been out of the public eye In 1934 his first exhibition in Paris stunned the art world The seven canvases drew attention to his extraordinary technique a mix of tradition and imagination informed by the work of Piero della Francesca Courbet and Joseph Reinhardt but unique to the twenty six year old artist and to their provocative content one of the paintings The Guitar Lesson was so powerful in its sadomasochistic imagery that it was deemed necessary to remove it from public display Continuously since then Balthus s work has provoked both great opprobrium and profound admiration as has the artist himself whether collaborating with Antonin Artaud on his Theater of Cruelty transforming the Villa Medici into the social center of Fellini s Rome in the 1950s or competing for the artistic limelight with his friends Picasso and Andr Derain The artist s complexities are clarified and his genius understood in a book that derives its particular immediacy from Weber s long and intense conversations with Balthus who never previously consented to discuss his life and work with a biographer as well as his interviews with the painter s closest friends members of his family and many of the subjects of his controversial canvases Weber s critical and human grasp he acutely analyzes the paintings in terms of both their aesthetic achievement and what they reveal of their maker s psyche combined with his rich knowledge of Balthus s life and his insight into the ideas and forces that have helped to shape Balthus s work over the past seven decades gives us a striking illuminating portrait of one of the most admired and outrageous artists of our time *Omaggio a Balthus* Balthus, 1996 *Omaggio a Balthus* Jean Leymarie, Solange de

The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and suspenseful novel that will keep you wondering until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
