The Naked Badge James B. Moore, 2011-05-06 On a balmy April morning in 1954 James Moore was sworn in as a

member of the Toledo Police Academys twelfth cadet class and began what would eventually become a twenty six year career with a police force intent on fiercely protecting the citizens of its beloved city The Naked Badge shares powerful hard hitting anecdotes of the realities of Toledo Ohio law enforcement that took place from 1950s to the 1970s With from the heart honesty that at times reads like fiction Moore provides a compelling glimpse into a time when formal training was minimal and outdated there were no such things as computers portable radios bulletproof vests or air conditioned vehicles pay was minimal and officers worked a forty eight hour week While revealing the stark vulnerabilities of rookie patrolmen Moore shares real life cases that disclose his own failures and shortcomings as his career takes him from a patrolman assigned to walking beats in the toughest sections of the city to a veteran captain who prided himself on treating everyone fairly The Naked Badge offers an enlightening and entertaining look into the intriguing world of police work during a period of great change in America

Replika: Sky's Mission Hugo Bernard,2022-02-01 Described as The Matrix meets Inception They hacked her brother s brain Then sent him into the simulation Sky must now get to him first the future of reality is at stake an absolute blockbuster of a tale that not only absorbs every bit of your attention but will have you pondering about the nature of reality Pikasho Deka for Readers Favorite Earth s ecological collapse is avoided when most of the world population agrees to permanently upload into a simulated reality called Replika But the stability of the system is threatened when a group of neuroscientists hack their brains to interact with the simulations in unforeseen and dangerous ways Sky devotes her life to rebuilding the real world left in the shadows of Replika But when she learns her brother who disappeared under mysterious circumstances is in danger she must choose which world needs her most All she wants is to find the brother she loves but she will unwittingly get entangled in a ploy to redefine reality HUGO BERNARD masterfully weaves a highly original and fast paced sci fi thriller with a convincing and thought provoking vision on how simulated reality will change our lives Replika is easily one of the best cyberpunk books I ve read this year S C Jensen author of Bubbles in Space a complex thriller about power and hope whilst never missing a beat K C Finn for Readers Favorite [Taking The Mickey](#) Mickey Arthur,Neil

Manthorp,2010-11-22 Mickey Arthur was one of SA s longest serving and most successful coaches In 2008 along with the national team he created history when the Proteas beat both England and Australia on their own turf Beating Pakistan away from home the year before set in motion an unprecedented journey to the number one ranking in both ODI and Test cricket Since the world ranking system was introduced to international cricket Australia has been the only other team to achieve this feat In 12 tours down under spanning almost a century South Africa has never managed to win a Test series in Australia But Arthur captain Graeme Smith and the rest of the team overcame incredible odds to chase a total over 400 in the first Test in Perth They faced what seemed certain defeat in Melbourne to win again and take an unbeatable 2 0 series lead South Africa became the top ranked team in Test cricket finally unseating the mighty Australians who dominated for years Soon after they repeated this feat when they became the top ranked ODI team But behind the scenes things weren t always progressing

smoothly Whereas Arthur would do anything for the team his uncompromising approach to administrators and refusal to be dictated to by men he believed were out of touch was beginning to count against him Not surprisingly the Proteas failed to live up to the heights of 2008 They suffered the ignominy of a first round exit from the Champions Trophy at the beginning of the 2009 season Soon after they had to win the final Test of a four match series against England to salvage a draw But there was nothing ominous about the players collective form and spirits were high as the squad prepared for a tour to India The tour was to all intents and purposes a Test match world championship between the two nations ranked first and second in the world A week before the team s departure Arthur resigned He was given no choice A press conference was hastily called in his home town of East London and Smith flew from Cape Town to appear alongside him and quash rumours of deterioration in their personal relationship Arthur never elaborated on the reasons for his untimely dismissal Until now

The Judge Robin Smith, Rob Smyth, 2019-06-13 SHORTLISTED FOR THE TELEGRAPH SPORTS BOOK AWARDS Robin Smith was one of England s most popular cricketers of the 1990s The Judge as he was known to all took on some of the most dangerous fast bowlers of all time with a skill and fearlessness that ensured hero status His savage square cut drew roars of approval from fans all around the world especially those of his beloved England and Hampshire But when he was prematurely dumped from the England set up at the age of 32 he had to face his toughest opponent of all himself Smith suffered a debilitating loss of identity especially when he retired from professional cricket in 2003 and struggled to deal with the contradictions in his personality Was he the Judge the fearless warrior or Robin Smith the frantic worrier Without a support structure to transition from cricket to the outside world Smith suffered from mental health alcohol marital and financial problems until he hit rock bottom and planned to take his own life In *The Judge* More than Just a Game he revisits his experience of extreme darkness and challenges received wisdom about masculinity and mental health He also shares the many highs and lows of his eventful international and county career including his exhilarating battles with the West Indies and his struggles against mystery spin And he reflects fondly on a time when cricketers worked hard and partied even harder a time almost unrecognisable to the modern day

Sufism and American Literary Masters Mehdi Aminrazavi, 2014-10-15 Explores the influence of Sufism on nineteenth and early twentieth century writers This book reveals the rich but generally unknown influence of Sufism on nineteenth and early twentieth century American literature The translation of Persian poets such as Hafiz and Sa di into English and the ongoing popularity of Omar Khayyam offered intriguing new spiritual perspectives to some of the major American literary figures As editor Mehdi Aminrazavi notes these Sufi influences have often been subsumed into a notion of Eastern chiefly Indian thought and not acknowledged as having Islamic roots This work pays considerable attention to two giants of American literature Ralph Waldo Emerson and Walt Whitman who found much inspiration from the Sufi ideas they encountered Other canonical figures are also discussed including Mark Twain Herman Melville Henry David Thoreau and Henry Wadsworth Longfellow along with literary contemporaries who are lesser known today such as Paschal Beverly Randolph Thomas Lake Harris and Lawrence Oliphant
