Smith,2013-06-19 There appears to be no cessation of written material relating to End Times theology generally and to the Apocalypse specifically Sadly much if not most of it runs counter to the clear teachings of Scripture A misquoted verse here and an extrapolation there one wonders when the dust will finally settle and a spiritually and scripturally accurate picture will begin to emerge In this volume Jack Smith explores the issues with due diligence searching the Scriptures and ever seeking the Guidance of the Holy Ghost with all soberness of thought and attitude Who or what is the antichrist Who is the false prophet and Who or what is the whore of Babylon With the Bible in one hand and a prayer for Guidance ever on his lips Jack Smith has discovered and here reveals the answer to those questions The author is keenly aware that these Truths will not be eagerly received by the bulk of Modern Christendom And so much the worse as there has never been a time they are more pertinent more relevant and more necessary to know than in this present hour as we approach the eclipse of human history      **Right Livelihoods** Rick Moody,2007-06-06 Right Livelihoods begins with a cataclysmic vision of New York City after the leveling of 50 square blocks of Manhattan Four million have died Albertine the street name for the buzz of a lifetime is a mind altering drug that sets The Albertine Notes in motion The collection's second novella K K concerns a lonely young office manager at an insurance agency where the office suggestion box is yielding unpleasant messages that escalate to a scary pitch Ellie Knight Cameron's responses to these random diatribes illuminate the toll that a lack of self awareness can take At the center of The Omega Force is a buffoonish former government official in rocky recovery Dr Jamie Van Deusen is determined to protect his habitat its golf courses and Bloody Marys pizza places and beers from dark complected foreign nationals His patriotism and wild imagination are mainly fueled by a fall off the wagon Only Rick Moody could lead us to feel affection for this man and the other misguided earnestly striving characters in these alternately unsettling warm trio of stories      The Shield of faith ,1881
