On A Wicked Wind

**Benjamin Disraeli (Earl of
Beaconsfield)**

On A Wicked Wind:

On a Wicked Wind Linda Winstead Jones, 2018-05-31 A Time Travel Romance Sabrina Steele is a modern woman so focused on her career that she's let everything else in her life go. She has a fiancé she doesn't love and there's no time in her busy life for anything other than work. She also has an irrational fear of the ocean. When a wicked storm rips her from her own time to another, she finds herself in the care of a pirate who considers her to be his gift from the sea. Rafael is determined to remain free of emotional entanglements. He has everything he wants and needs on his own island. Women are a temporary family; is not for him. He learned at a young age that anything a man loves can be taken away. Loving the woman who washed ashore at his feet is impossible. Losing her will destroy him. *On a Wicked Wind* Linda Jones, 1998 Hurlled into the Caribbean and swept back in time Sabrina Steele finds herself abruptly aroused in the arms of pirate captain Antonio Rafael de Zamora. There on his tropical island Rafael teaches her to rest the waves of passion and sail the seas of ecstasy. But the handsome rogue has a tortured past and in order to consummate a love that has called her through time the headstrong beauty seeks to uncover the pirate's true buried treasure: his heart. *Weathering the Psalms* Steve A. Wiggins, 2014-12-03 The weather is all around us all the time. From ancient times people have attributed the weather to the work of the gods. Ancient Israel shared this perception. The book of Psalms reflects theologically significant views on the weather that have not until now been fully explored. In this meteorological survey of the Psalms whimsically called meteorotheology every reference to the weather is translated in accordance with the known climate and weather of ancient Israel. Each verse is discussed with particular attention to the function of the weather in the hymnal of ancient Israel. This book will be a resource for translators, clergy, and scholars with an interest in how the weather impacted religious outlooks in ancient Israel. Readers will learn that some expected associations such as thunder and lightning did not influence Israelite views on the natural world in the same way that they do today. Yahweh was God of the weather and the Psalms frequently use this paradigm as a reason for both praise and fear of the Lord. **A Night on the Moon** Larry Gaddy, 2011-11-10 Life and self-worth is a blessing that cannot be bought at any price. To see through those eyes is to see eternal youth, to grow wise with grace and to still die young at any age. Watching a colored leaf fall from a tree. Seeing its dance upon the wind. Hearing the lyrics of a song unsung. Humming the melody yet written. Writing words that bring teardrops. And humbled by the grace of it all. Some would say he's a visionary seeing truth beyond the lies, twisting a simple word into emotion. Question everything He heard so often as a child. Looking through the stained glass in his mind's eye somewhere within his fantasy a simple child became a poet. He is a story teller. In his words you will find a simple truth. Hanging on a single word as a lifeline, letting go to find another. In his world you feel the little things and the miracles they bring. Through his eyes the fairies have been seen painting sunsets and rainbows.
