On A Wing And A Prayer With Good Morning Sunday:

On a Wing and a Prayer with Good Morning Sunday Don Maclean, 2004 This is a collection of prayers and quotes from BBC2's Good Morning Sunday programme It includes contributions from such people as Desmond Tutu Basil Hume and Princess Anne and offers a breadth of spiritual insights on many aspects of human life *Hearts to Heaven and Tempers Raise* Reginald Frary, 2005 Like a favourite TV comedy series Reg Frary returns with another collection of all too believable stories about anarchy and revolt waiting to break out in the choirstalls They may look angelic in their robes and may on rare occasions even sound like angels but it's a dirty game keeping one step ahead of the vicar's trendy ideas and the choir director's aspirations to dictatorship It all necessitates frequent councils of war down at the Dog and Duck after practice REG FRARY has sung in his local church choir in Richmond for over sixty years and has been writing comic stories based on his experiences for almost as long Neither the choir nor his employer will allow him to retire and he works as a proof reader for a major law firm in the City of London **Bibliographic Guide to Music** New York Public Library. Nostalgia, Religion and Popular Culture Chris Deacy, 2025-01-09 Drawing on the event of Queen Elizabeth II's death in

2022 as a central case study this book explores the way we navigate the relationship between nostalgia and religion Focusing on the lived experiences of ordinary people and in tandem with the turn to the self discourse Deacy suggests that our relationship with nostalgia illustrates the shift from objective and transcendent value systems towards the domain of everyday experience love and loss This book revisits the way we understand religion and the secular using the medium of popular culture such as radio film TV and music to interrogate the nostalgia as religion narrative The interpersonal and social elements of nostalgia are explored such as through the way radio fostered virtual communities and played a key role regarding national religious and cultural memory during the mourning of the Queen Attention is given to how nostalgia has evolved over time and how it can be understood as a religious process which transforms our lives at a time of loss and contributes to an eschatological future
