Book Extract That night around 2 30 a m we were abruptly awakened by blaring sirens and announcements on the hotel s PA system urging immediate evacuation This is an evacuation warning This is not a drill Please evacuate the hotel immediately We made our way through the corridor down the fire escape and into the open car parking space facing Bath Road I could see hundreds of people around me who had also just evacuated the hotel some running out in their nightgowns and some naked as the splitting sound of the loud horn pulsated in my ears On that damp cold night in London we all stood helpless in the middle of the night in the left and right car parking areas After a brief period we saw the bomb squads and London Police come rushing in with the fire engines blaring Few of us travelled to Canada and attended the trial We were seated in an area barely 15 feet away from where Malik and Bagri sat during the trial and for days we sat there watching the killers of our families I will never forget the expressions on the faces of those two criminals smirking knowing that they were responsible for the murder of my family and all 331 innocent souls on board that ill fated Air India Flight 182 Throughout the trial they
