On Being A Christian And A Lawyer:

On Being a Christian and a Lawyer Thomas L. Shaffer, 1981 A discussion on the tradition of American legal positivism the theory that it is necessary in working with law to set morals aside Notre Dame law professor Shaffer argues that modern day attorney client relationships are characterized either by the ethics of role the lawyer does what the client wants or tells the client what to do or by the ethics of isolation moral statements but no dialogue It is a delusion Shaffer suggests to pretend that conscience has nothing to do with serving a client or that lawyer and client do not influence each other In place of adversary ethics Shaffer urges the profession to adopt an ethics of care a professional relation marked by openness in moral dialogue in which the lawyer's calling becomes a form of ministry Telling the client it's up to you after a full exchange of views is not the same as saying whatever you want For Shaffer the American legal system's avoidance of moral witnessing is nurtured by the legal education the often unstated choice is not against morals but against morals as having intellectual importance Law school instruction either flatly avoids moral questions or by failing to explore students' stated moral positions suggests that there is no discipline in moral discourse Law school is where things have to begin changing there we can still try to tell the truth to one another In elaborating his ethical view Shaffer segues neatly from Barth to Buber to Trollope's *Orley Farm* to American legal history to the lives of Thomas More and Franz Jägerstätter This is an unrelentingly learned book tough sledding for the intellectually unprepared but intelligent well argued and bound to become controversial among law and ethics scholars

Inside Lawyers' Ethics Christine Parker, Adrian Evans, 2007-02-22 Legal ethics is often described as an oxymoron or contradiction in terms lay people find the concept amusing and lawyers can find ethics impossible The best lawyers are those who have come to grips with their own values and actively seek to improve their ethical practise This book is designed to help law students and new lawyers understand and modify their own ethical priorities not just because this knowledge makes it easier to practise law and earn an income but because self aware ethical legal practice is right and feels better than anything else Packed with case studies of ethical scandals and dilemmas from real life legal practice in Australia each chapter delves into the most difficult issues lawyers face From lawyers part in corporate fraud to the ethics of time based billing Parker and Evans expose the values that underlie current practice and set out the alternatives ethical lawyers might follow

The Teachings of Modern Christianity on Law, Politics, and Human Nature John Witte (Jr.), John Witte, Frank S. Alexander, 2006 This is a major project to be undertaken as part of a broad initiative of the Pew Charitable Trusts and the University of Notre Dame on the role of Christianity in modern society John Witte is one of the editors of the forthcoming *Sex Marriage and the Family A Reader in World Religions*

Jewish Law and American Law, Volume 1 Samuel J. Levine, 2021-02-16 This volume contributes to the growing field of comparative Jewish and American law presenting twenty six essays characterized by a number of distinct features The essays will appeal to legal scholars and at the same time will be accessible and of interest to a more general audience of intellectually curious readers These contributions are faithful to

Jewish law on its own terms while applying comparative methods to offer fresh perspectives on complex issues in the Jewish legal system Through careful comparative analysis the essays also turn to Jewish law to provide insights into substantive and conceptual areas of the American legal system particularly areas of American law that are complex controversial and unsettled

Redeeming Law Michael P. Schutt, 2009-09-20 Being a Christian lawyer is possible but not easy Law professor Michael Schutt believes that although there are significant obstacles Christians belong in the legal profession and should regard it as a sacred calling The Christian God is after all a God concerned with justice both divine and human However the pathway beginning with law school and leading to the daily demands of practice doesn't provide much guidance for pursuing law as a Christian calling Schutt offers this book as a vital resource for reconceiving the theoretical foundations of law and gives practical guidance for maintaining integrity within a challenging profession A hopeful and practical book for law students and those serving in the legal profession

The Servant Lawyer Robert F. Cochran, 2024-02-20 How does everyday law practice relate to Jesus' call to follow him in servanthood For students considering a career in law as well as for seasoned attorneys this honest and accessible book from Robert F. Cochran Jr. casts an encouraging vision for how lawyers can love and serve their neighbor in every facet of their work

Theology and Law Christine Parker, 2005 A creative interface between the issues the stories and the values virtues that sustain and may heal two central disciplines institutions of our society

Wrestling with Diversity Sanford Levinson, 2003-10-27 A major legal scholar and author writes on how to honor society's desire to further diversity legally and ethically

Moral Memoranda from John Howard Yoder Thomas L. Shaffer, 2002-09-04 Moral Memoranda from John Howard Yoder Conversations on Law Ethics and the Church between a Mennonite Theologian and a Hoosier Lawyer compiles fifteen years of advice and comment on law and government in the United States from a leading theologian who was as prominent for the wisdom he offered to mainline Christians as he was a resource and teacher within his own Mennonite Church This volume of letters notes and essays combines deep understanding of Professor Yoder's Anabaptist tradition with insightful sometimes wry observation on modern American Catholicism and an occasionally caustic but more often open inquiring interest in law lawyers and legal education

Religion and the Exercise of Public Authority Benjamin L. Berger, Richard Moon, 2016-06-16 In the burgeoning literature on law and religion scholarly attention has tended to focus on broad questions concerning the scope of religious freedom the nature of toleration and the meaning of secularism An under-examined issue is how religion figures in the decisions actions and experiences of those charged with performing public duties This point of contact between religion and public authority has generated a range of legal and political controversies around issues such as the wearing of religious symbols by public officials prayer at municipal government meetings religious education and conscientious objection by public servants Authored by scholars from a variety of disciplines the chapters in this volume provide insight into these and other issues Yet the volume also provides an entry point into a deeper examination of the concepts that are often used to organise and

manage religious diversity notably state neutrality By examining the exercise of public authority by individuals who are religiously committed or who in the discharge of their public responsibilities must account for those who are this volume exposes the assumptions about legal and political life that underlie the concept of state neutrality and reveals its limits as a governing ideal **Public Theology in Law and Life** Paul Babie, Brian Edgar, David Wilson, 2012-08-30 Public theology involves the application of biblical and theological principles outside the confines of the church and assesses their implications for wider society It examines both the theoretical structures of society the nature of secularity government globalisation pluralism and so forth and the myriad specific issues involved in daily life everything from sport to work place relations to economics Public theology is also very importantly a discipline that is practiced by the ordinary Christian as well as the academic and it is done in public with all the scrutiny that entails and in such a way that it communicates to non Christians although it remains a theological endeavour In a real sense it is theology for the world from the Word by the people of God The volume has a variety of contributors and includes an article on the role of public theology in Islam

Religious Liberty, Volume 2 Douglas Laycock, 2011-04-07 For more than thirty years Douglas Laycock has been studying defending and writing about religious liberty In this second volume of the comprehensive collection of his writings on the subject he has compiled articles amicus briefs and actual court documents relating to regulatory exemptions under the Constitution the right to church autonomy and the rights of non mainstream religions This collection which deals with religious schools and colleges sex abuse cases the rights of Hare Krishnas and Scientologists the landmark decision *Employment Division v Smith* and more will be a valuable reference for churches schools and other religious organizations as they exercise their Constitutionally protected freedom of religion The Christian Lawyer, 1859 **ABA Journal**, 1982-05 The ABA Journal serves the legal profession Qualified recipients are lawyers and judges law students law librarians and associate members of the American Bar Association The Making of a Christian Empire Elizabeth DePalma Digeser, 2000 The Making of a Christian Empire is the first full length book to interpret the Divine Institutes as a historical source Exploring Lactantius's use of theology philosophy and rhetorical techniques Digeser perceives the Divine Institutes as a sophisticated proposal for a monotheistic state that intimately connected the religious policies of Diocletian and Constantine both of whom used religion to fortify and unite the Roman Empire **BOOK JACKET** *Law and Theology in the Middle Ages* G.R. Evans, 2012-11-12 An unrivalled introduction to a fascinating subject *Law and Theology in the Middle Ages* explores the relationship between law and theology in medieval Europe Focusing on legal and theological responses to justice mercy fairness and sin this text examines the tension between ecclesiastical and secular authority in medieval Europe illustrating areas of dispute in a clear and accessible way **The Decalogue Viewed as the Christian's Law: with Special Reference to the Questions and Wants of the Times** Richard Tudor, 1860 Radical Christian and Exemplary Lawyer Andrew W. McThenia Jr., 2007-01-01 The compelling legacy of William Stringfellow was set in motion when the great German

theologian Karl Barth who met Stringfellow on a panel discussion at the University of Chicago in 1962 turned to the audience and pronounced You should listen to this man Many have done just that This collection of essays honoring the life and work of William Stringfellow who was for thirty years an activist lawyer and widely read theologian points up recurring themes in Stringfellow s theology recounts the experiences of colleagues and friends and focuses on the legal profession The following are the well known lawyers theologians and social activists contributing to this volume Walter Wink Stanley Hauerwas Jeff Powell Elizabeth McAlister Mel Schoonover Andrew W McThenia Jr Bill Wylie Kellermann Mary Lou Suhor Jim Wallis Daniel Berrigan Thomas L Schaffer Emily Fowler Hartigan Edward McGlynn Gaffney Jr and Milner S Ball **Being Christian**

after Christendom David Rietveld,2023-04-12 The social landscape has radically changed over the past fifty years Christians were once respected sought out and trusted Now we are blamed marginalized and viewed with suspicion In this book David Rietveld explains what how and why this has happened in a way that the average person can understand He begins with Christendom where both Christians and non Christian held shared beliefs and values He explains the church s role and how evangelism and discipleship worked in that era He then tracks the changes that have occurred and clarifies what and why things are now different Insightful broad explanations are illustrated by real life examples and woven together so that readers can see the patterns in the new twenty first century Western landscape If you are seeking a thoughtful overview of what is going on in our world and how this relates to being a Christian in a local church this book is a great introduction **God in the Courtroom** Brian Bornstein,Monica Miller,2009-10-29 The authors review legal developments and behavioural science research concerning the effects of religion on legal practice decision making processes of various actors and trial outcomes Chapters address jury selection and bias attorneys use of religion in legal movements judges religious belief and much more
