

ON BEING HAWAIIAN

JOHN DOMINIS HOLT

On Being Hawaiian

Stephen H. Sumida

On Being Hawaiian:

On Being Hawaiian John Dominis Holt, 1974 *On Being Hawaiian* John Dominis Holt, 1964 **Native Men Remade** Ty P. Kāwika Tengan, 2008-10-20 An ethnographic study of the recuperation and construction of Hawaiian indigenous masculinity through participation in the rituals of the Hale Mua Men's House group in Maui *Native American Almanac* Yvonne Wakim Dennis, Arlene Hirschfelder, Shannon Rothenberger Flynn, 2016-04-18 Explore the vibrant Native American experience with this comprehensive and affordable historical overview of Indigenous communities and Native American life. The impact of early encounters, past policies, treaties, wars, and prejudices toward America's Indigenous peoples is a legacy that continues to mark America. The history of the United States and Native Americans are intertwined. Agriculture, place names, and language have all been influenced by Native American culture. The stories and history of pre and post colonial Tribal Nations and peoples continue to resonate and inform the geographical boundaries, laws, language, and modern life. From ancient rock drawings to today's urban living, the *Native American Almanac*. More than 50,000 Years of the Cultures and Histories of Indigenous Peoples traces the rich heritage of indigenous people. It is a fascinating mix of biography, pre-contact and post-contact history, current events, Tribal Nations histories, enlightening insights on environmental and land issues, arts, treaties, languages, education, movements, and more. Ten regional chapters, including urban living, cover the narrative history, the communities, land, environment, important figures, and backgrounds of each area's Tribal Nations and peoples. The stories of 345 Tribal Nations, biographies of 400 influential figures in all walks of life, Native American firsts, awards, and statistics are covered. 150 photographs and illustrations bring the text to life. The most complete and affordable single volume reference work about Native American culture available today, the *Native American Almanac* is a unique and valuable resource devoted to illustrating, demystifying, and celebrating the moving, sometimes difficult, and often lost history of the indigenous people of America. Capturing the stories and voices of the American Indian of yesterday and today, it provides a range of information on Native American history, society, and culture. A must-have for anyone interested in our America's rich history. 'Ike Ulana Lau Hala Lia O'Neill M. A. Keawe, Marsha MacDowell, C. Kurt Dewhurst, 2014-08-31 The weaving of lau hala represents a living tradition borne on the great arc of Pacific voyaging history. This thriving tradition is made immediate by masters of the art who transmit their knowledge to those who are similarly devoted to and delighted by the smoothness, softness, and that particular warm fragrance of a woven lau hala treasure. The third volume in the Hawai'i inui kea series, *Ike Ulana Lau Hala* is an intriguing collection of articles and images about the Hawaiian tradition of ulana lau hala, the weaving by hand of dried Pandanus tectorius leaves. *Ike Ulana Lau Hala* considers the humble hala leaf through several very different lenses: an analysis of lau hala items that occur in historic photographs from the Bishop Museum collections, the ecological history on hala in Hawai'i and the Pacific, including serious challenges to its survival and strategies to prevent its extinction, perspectives in Hawaiian of a native speaker from Ni'ihau on master weavers and the relationship between

teacher and learner a review also in Hawaiian of references to lau hala in poetical sayings and idioms a survey of lau hala in Hawaiian cultural heritage and the documentation project underway to share the art with a broader audience and a conversation with a master artisan known for his distinct and intricate construction of the lei hala Rich with imagery this extraordinary volume will guide the reader to a better understanding of the cultural scope and importance of lau hala fostering an appreciation of the level of excellence to which the art of ulana lau hala has risen under the guidance of masters who continue to steer the Hawaiian form of the tradition into the future Unfamiliar Fishes Sarah Vowell,2012-03-06 From the bestselling author of *The Wordy Shipmates* comes an examination of Hawaii's emblematic and exceptional history retracing the impact of New England missionaries who began arriving in the early 1800s to remake the island paradise into a version of New England *Hawai'i Is My Haven* Nitasha Tamar Sharma,2021-08-02 Nitasha Tamar Sharma maps the context and contours of Black life in Hawai'i showing how despite the presence of anti Black racism the state's Black residents consider it to be their haven from racism The Extraordinary Book of Native American Lists Arlene Hirschfelder,Paulette F. Molin,2012-03-22 Communicates information about the histories contemporary presence and various other facts of the Native peoples of the United States From publisher description **Language and Social Justice in Context** Scott Saft,2022-02-08 This book builds on recent research exploring the intersection between language and social justice using the multilingual context of Hawai'i as a case study The author offers a discourse centered approach providing analyses of actual instances of language use and argues that the wide range of languages in Hawai'i Hawaiian Pidgin Japanese Chinese Tagalog Ilocano Marshallese and Chuukese as well as the phenomenon of language mixing all have a significant contribution to make to society The book also draws on language acquisition research demonstrating positive long term effects of exposure to multiple languages and makes the case for educational approaches that foster multilingual abilities among the young members of society This book will be relevant for academics interested in the intersection of language and social justice and languages in Hawai'i but it should also be of interest to undergraduate and especially graduate students in sociolinguistics language revitalization and language documentation discourse analysis applied linguistics and pragmatics *The Columbia Guide to Asian American History* Gary Y. Okihiro,2005-03-30 Offering a rich and insightful road map of Asian American history as it has evolved over more than 200 years this book marks the first systematic attempt to take stock of this field of study It examines comments and questions the changing assumptions and contexts underlying the experiences and contributions of an incredibly diverse population of Americans Arriving and settling in this nation as early as the 1790s with American born generations stretching back more than a century Asian Americans have become an integral part of the American experience this cleverly organized book marks the trajectory of that journey offering researchers invaluable information and interpretation Part 1 offers a synoptic narrative history a chronology and a set of periodizations that reflect different ways of constructing the Asian American past Part 2 presents lucid discussions of

historical debates such as interpreting the anti Chinese movement of the late 1800s and the underlying causes of Japanese American internment during World War II and such emerging themes as transnationalism and women and gender issues Part 3 contains a historiographical essay and a wide ranging compilation of book film and electronic resources for further study of core themes and groups including Chinese Japanese Filipino Hmong Indian Korean Vietnamese and others The State and Indigenous Movements Keri E. Iyall Smith, 2007-05-07 Using the comparative historical method this book looks at the experience of indigenous peoples specifically the Native Hawaiians showing how a nation can express culture and citizenship while seeking ways to attain greater sovereignty over territory culture and politics **Oceanic Archives, Indigenous Epistemologies, and Transpacific American Studies** Yuan Shu, Otto Heim, Kendall Johnson, 2019-10-22 The field of transnational American studies is going through a paradigm shift from the transatlantic to the transpacific This volume demonstrates a critical method of engaging the Asian Pacific the chapters present alternative narratives that negotiate American dominance and exceptionalism by analyzing the experiences of Asians and Pacific Islanders from the vast region including those from the Philippines Vietnam Indonesia Hawaii Guam and other archipelagos Contributors make use of materials from oceanic archives retrieving what has seemingly been lost forgotten or downplayed inside and outside state bound archives state legal preoccupations and state prioritized projects The result is the recovery of indigenous epistemologies which enables scholars to go beyond US based sources and legitimates third world knowledge production and dissemination Surprising findings and unexpected perspectives abound in this work Minnan traders from southern China are identified as the agents who connected the Indian Ocean with the Pacific making the Manila Galleon trade in the sixteenth century the first completely global commercial enterprise The Chamorro poetry of Guam gives a view of America from beyond its national borders and articulates the cultural pride of the Chamorro against US colonialism and imperialism The continuing distortion of indigenous claims to the sovereignty of Hawaii is analyzed through a reading of the most widely circulated English translation of the creation myth Kumulipo There is also a critique of the Korean involvement in the American War in Vietnam which was informed and shaped by Korean economy and politics in a global context By investigating the transpacific as moments of military cultural and geopolitical contentions this timely collection charts the reach and possibilities of the latest developments in the most dynamic form of transnational American studies This collection offers a well organized and intellectually coherent series of essays addressing issues of American imperialism in Oceania and the Pacific region Covering history politics and literary culture in equal measure the essays are theoretically well informed and their focus on Indigenous cultures speaks to the current scholarly interest in the ways in which Indigenous communities can be understood within a global context Paul Giles University of Sydney This terrific volume offers the latest mapping of that complex terrain known as the transpacific Timely and capacious the essays here from an all star cast of international scholars offer the latest thinking on the oceanic dimensions of global modernity Essential reading for anyone interested in

the current Asian turn in American Studies Asian American Studies and Transpacific Studies Steven Yao Hamilton College

Inside Out Vilsoni Hereniko, Rob Wilson, 1999-06-24 In a time of dynamism and contradiction in Pacific cultural production a time of turning things over and writing from the inside out this far reaching volume provides a comprehensive set of essays and interviews on the emergent literatures of the New Pacific With its dynamic combination of important position papers polemics and decolonizing critiques by noted authors and of analysis by new and established post colonial scholars this volume exposes the maze and mix of literatures and cultural identities breaking down and building up across the Pacific Ocean This pioneering work will be the definitive resource for anyone researching or teaching Pacific literature and will be invaluable for bringing Pacific culture to readers outside the region *And the View from the Shore* Stephen H. Sumida, 2013-05-01 This groundbreaking study of a little explored branch of American literature both chronicles and reinterprets the variety of patterns found within Hawaii's pastoral and heroic literary traditions and is unprecedented in its scope and theme As a literary history it covers two centuries of Hawaii's culture since the arrival of Captain James Cook in 1778 Its approach is multicultural representing the spectrum of native Hawaiian colonial tourist and polyethnic local literatures Explicit historical social political and linguistic context of Hawaii as well as literary theory inform Stephen Sumida's analyses and explications of texts which in turn reinterpret the nonfictional contexts themselves These texts include poems song lyrics novels and short fiction drama and oral traditions that epitomize cultural milieus and sensibilities Hawaii's rich literary tradition begins with ancient Polynesian chant and encompasses the compelling novels of O A Bushnell Shelley Ota Kazuo Miyamoto Milton Marayama and John Dominis Holt the stories of Patsy Saiki and Darrell Lum the dramas of Aldyth Morris the poetry of Cathy Song Erick Chock Jody Manabe Wing Tek Lum and others of the contemporary Bamboo Ridge group Hawaiian songs and poetry or mele and works written by visitors from outside the islands such as the journals of Captain Cook and the prose fiction of Herman Melville James Fenimore Cooper Mark Twain and James Michener Sumida discusses the renewed enthusiasm for native Hawaiian culture and the controversies over Hawaii's vernacular pidgins and creoles His achievement in developing a functional and accessible critical and intellectual framework for analyzing this diverse material is remarkable and his engaging and perceptive analysis of these works invites the reader to explore further in the literature itself and to reconsider the present and future direction of Hawaii's writers **Archiving Settler**

Colonialism Yu-ting Huang, Rebecca Weaver-Hightower, 2018-11-01 Archiving Settler Colonialism Culture Race and Space brings together 15 essays from across the globe to capture a moment in settler colonial studies that turns increasingly towards new cultural archives for settler colonial research Essays on hitherto under examined materials including postage stamps musical scores urban parks and psychiatric records reflect on how cultural texts archive moments of settler self fashioning Archiving Settler Colonialism also expands settler colonial studies reach as an international academic discipline bringing together scholarly research about the British breakaway settler colonies with underanalyzed non white non

Anglophone settler societies The essays together illustrate settler colonial cultures as for all their similarities ultimately divergent constructions locally situated and produced of specific power relations within the messy operations of imperial domination

American Pacificism Paul Lyons,2006-09-27 This powerful critique of American Islander relations draws upon extensive resources including literary works and government documents to explore the ways in which conceptions of Oceania have been entwined in the American imagination

Person, Self, and Experience John Kirkpatrick,Geoffrey Miles White,1985

Kū Kanaka—Stand Tall George S. Kanahele,2021-05-25 Outstanding thinkers of the Western world are pulled into his creation adding luster interest and academic panache to this highly readable book

On Being Hawaiian Introduction

In the digital age, access to information has become easier than ever before. The ability to download On Being Hawaiian has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download On Being Hawaiian has opened up a world of possibilities. Downloading On Being Hawaiian provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading On Being Hawaiian has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download On Being Hawaiian. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading On Being Hawaiian. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading On Being Hawaiian, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download On Being Hawaiian has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About On Being Hawaiian Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience.
