On Being Liked:

On Being Liked James Alison, 2003 *On Being Liked* is the transforming and joyful sequel to *Faith Without Resentment* which established the Catholic priest and writer James Alison as one of the most striking voices in the church. He takes us step by step through a bold adventure reimagining the central axis of the Christian story while to our astonishment and wonder we discover ourselves as liked not only loved in the eyes of God.

The Destruction and Creation of Michael Jackson Ellis Cashmore, 2022-05-19 Michael Jackson died in 2009 but he has never really left us and there are no signs he ever will. A globally acclaimed child star in the 1970s, the world's premier entertainer in the final decades of the 20th century, a perplexingly odd character in the 21st century, Jackson defied every known category and became borderline incomprehensible. To remedy this in *The Destruction and Creation of Michael Jackson*, Ellis Cashmore reflects the restless, unorthodox, and mysterious life Jackson led in order to understand more about him as well as his cultural impact. Exploring how Jackson emerged from the post-civil rights era when America was searching for someone who symbolized a new age as it struggled to unburden itself of racial inequality, Cashmore's book is the first to examine Jackson's career through the prisms of American racial politics and celebrity culture. Uniquely structured, beginning in the present and journeying back to Jackson's birth, *The Destruction and Creation of Michael Jackson* will excite and enliven debates on this controversial figure, one that very much continues to remain embedded within our culture.

God's Beloved Queer Rolf R. Nolasco, 2019-07-29 The book re-centers the conversation back to what I believe anchors our identity and inspires our ways of being, living, and loving. That is, we all are beloved children of the Triune God, whose image and likeness we bear; hence, we all are God's beloved queers, primed to flourish in more ways than we can ever dare to imagine for ourselves. I have drawn from a wide range of disciplines—pastoral theology, spirituality, counseling, psychology, affective neuroscience, anthropology—to offer a more nuanced description of what it means as queer folks to be sacred icons of God, like everyone else, offering multifarious windows into the spacious, gratuitous, and transforming love of God. It also explores, with penetrating detail, the inner psychological and spiritual terrain of our queer lives along with spiritual practices that will help support our flourishing.
