**Classroom: A Concise Guide** Afsaneh Ghanizadeh,Ali H. Al-Hoorie,Safoura Jahedizadeh,2020-09-11 In this book we try to provide a practical down to earth guide for those who are involved in language learning and teaching We hope that this book will be a useful reading for those who would like to incorporate higher order thinking skills HOTS enhancing techniques in their teaching practice We set out from the position that although it is hardly doubtful that it is at the heart of education critical thinking is in reality often not given its due attention in pedagogy particularly in language education This book offers readers some practical advice on how to implement HOTS in their own practice It has been written to take the reader through each technique with the ultimate goal of promoting HOTS step by step In the introductory chapter we present an overview of the theory behind HOTS its definition its relation to Bloom s Taxonomy its two dimensions critical thinking and reflective thinking and the ideas of some influential thinkers in this area The subsequent chapters present six HOTS enhancing techniques that classroom teachers can draw from namely graphic organizers critical discourse analysis argumentation emotion regulation and emotional intelligence enhancing techniques reflective journals and mindfulness based strategies As the book draws on a wide ranging review of literature with exercises for direct use with language learners we hope that this provides both theoretical and practical support for the teaching process to help language learners become effective critical thinkers The compilation of the ideas in this book took us a long time over a decade Something that takes such a long time requires much engagement and life experience so did this book **How to speak in IELTS** Miracel Griff,2015-11-16 This is perfect book for you to prepare your IELTS Speaking test Especially if you are very busy and have little opportunity to set aside enough time and sit down for practice because speaking is very time consuming and difficult to make any progress by yourself With this ebook now you can prepare IELTS Speaking anytime anywhere on the go it makes your every minute count It is believed that the best way to improve your score is to practice practice and practice Do mock tests as many times as possible This ebook can bring you the similar test experience as if you were really doing the Speaking test under such unbelievable price Make sure you use ebook under the real test conditions PART 1 Introduction and interview 4 to 5 minutes You are invited to sit down The examiner checks your ID The examiner tries to get you to settle down feel relaxed asking basic questions about your life your background family and so on PART 2 3 to 4 minutes The examiner gives you a card with a topic written on it You have one minute to think about this topic and prepare what you are going to say Then you must speak about the topic for one to two minutes After you finish talking the examiner could ask some

follow up questions PART 3 4 to 5 minutes The examiner engages you in a discussion about topic that has the same general theme as of Part 2 In Part 2 you have only 1 minute to think about the topic before you start speaking Then you can speak continuously for between 1 and 2 minutes You can then spend more time thinking about and preparing how to answer that topic better After several iteration your score will go up very quickly If you are not sure about your current band level during your practice we provide sample test for you ranging from band 6 to band 7 Please compare to your own recording then analyze where is your weakness and work hard to improve it Never simply try and fail in the real test again please use this ebook and fail yourself thousand times before it      **Resources in education** ,1991      **Australian Books in Print 1998**
