Psychoanalytic Responses to Children's Literature Lucy Rollin, Mark I. West, 2008-04-01 With the growing emphasis on theory in literary studies psychoanalytic criticism is making notable contributions to literary interpretation Sixteen chapters in this work explore the psychological subtexts of such important children's books as Carlo Collodi's *Pinocchio* Roald Dahl's *James and the Giant Peach* Kenneth Grahame's *The Wind in the Willows* Louise Fitzhugh's *Harriet the Spy* Mark Twain's *The Prince and the Pauper* and E B White's *Charlotte's Web* Drawing on the ideas of such psychoanalytic theorists as Sigmund Freud Alice Miller D W Winnicott and Jacques Lacan it analyzes the psychological development of characters examines reader responses and studies the lives of authors and illustrators such as Beatrix Potter and Jessie Willcox Smith

On Flirtation Adam Phillips, 1994-01-01 Flirtations Barbara Natalie Nagel, Lauren Shizuko Stone, 2015-05-01 What is flirtation and how does it differ from seduction In historical terms the particular question of flirtation has tended to be obscured by that of seduction which has understandably been a major preoccupation for twentieth century thought and critical theory Both the discourse and the critique of seduction are unified by their shared obsession with a very determinate end power In contrast flirtation is the game in which no one seems to gain the upper hand and no one seems to surrender The counter concept of flirtation has thus stood quietly to the side never quite achieving the same prominence as that of seduction It is this elusive and largely ignored territory of playing for play's sake that is the subject of this anthology The essays in this volume address the under theorized terrain of flirtation not as a subgenre of seduction but rather as a phenomenon in its own right Drawing on the interdisciplinary history of scholarship on flirtation even as it re approaches the question from a distinctly aesthetic and literary theoretical point of view the contributors to *Flirtations* thus give an account of the practice of flirtation and of the figure of the flirt taking up the act's relationship to issues of mimesis poetic ambiguity and aesthetic pleasure The art of this poetic playfulness often read or misread as flirtation's empty gesture becomes suddenly legible as the wielding of a particular and subtle form of nonteleological power Psychoanalysis and Religion in the 21st Century David M. Black, 2012-07-26 What can be gained from a dialogue between psychoanalysis and religion Freud described religion as the universal obsessional neurosis and uncompromisingly rejected it in favour of science Ever since there has been the assumption that psychoanalysts are hostile to religion Yet from the beginning individual analysts have questioned Freud's blanket rejection of religion In this book David Black brings together contributors from a wide range of

schools and movements to discuss the issues They bring a fresh perspective to the subject of religion and psychoanalysis answering vital questions such as How do religious stories carry or distort psychological truth How do religions work psychologically What is the nature of religious experience Are there parallels between psychoanalysis and particular religious traditions Psychoanalysis and Religion in the 21st Century will be of great interest to psychoanalysts psychoanalytic therapists psychodynamic counsellors and anyone interested in the issues surrounding psychoanalysis religion theology and spirituality

A Psychoanalysis for Our Time Jeffrey Rubin,1998-11 As a psychoanalyst and psychotherapist Rubin argues that psychoanalysis is in need of revision in order to remain relevant today because its interest in both decoding and concealing the truth is simultaneously its strength and weakness Rubin attempts a middle course between blind acceptance and premature dismissal Although parts one and two focus on the history institutions and theory of psychoanalysis the remainder constitutes a non traditional and self consciously experimental approach wherein the author reflects on his own work his theoretical omissions and the unsolved problems in his discourse Annotation copyrighted by Book News Inc Portland OR

A Shimmering Landscape Dodi Goldman,2024-12-19 Acclaimed Winnicott scholar Dodi Goldman offers an intriguing account of the psyche s work of imaginative elaboration Why does the world feel one way when we are imaginatively alive to it and quite another when we

are not How does one both imagine and see things as they are What happens when we cannot do so This book creatively explores the interplay between the imaginative and actual in psychoanalysis and life Each chapter centers around an evocative visual image a prehistoric figurine a Hindu lithograph an Italian etching an Inuit statue a painting by Magritte and more to reveal unexpected connections and novel insights into what enlivens experience to make the personal landscape shimmer With a fresh and delightfully playful approach this volume is essential reading for psychoanalysts psychotherapists humanities scholars and anyone curious about the fragile alliance between the imaginative and actual in human experience

Ephemeral Bibelots Brad Evans, 2019-09-10 Restoring proto modernist little magazines known as ephemeral bibelots to the scholarly canon Emanating from the cabarets of modernist Paris a short lived vogue spread around the world for avant

garde journals known in English as ephemeral bibelots For a time it seemed that all the young bohemians passing through Paris started their own bibelots modeled on *Le Chat Noir* the esoteric magazine of the famed Montmartre cabaret These journals were recognizable for their decadence campy queerness astounding art nouveau illustrations fin de siècle color schemes innovative typefaces and practiced bohemianism In *Ephemeral Bibelots* Brad Evans relays the untold story of this late nineteenth century craze for bibelots dusting off a trove of periodicals largely untouched by digitization In excavating this forgotten archive Evans calls into question the prehistory of modernist little magazines as well as the history of American art and literature at the turn of the twentieth century Considering how artistic movements take shape move and disappear the book is organized around three major themes vogue ephemera and obscurity with authors and artists to match A full color insert reveals a glorious array of bibelot covers This revisionary history of print culture incorporates discussions of pragmatist philosophy and relational aesthetics women writers like Juliet Wilbor Tompkins and Carolyn Wells the graphic artists Will Bradley Louis Rhead and John Sloan the dancer Loie Fuller and twentieth century figures like H L Mencken Amy Lowell and Anita Loos Bringing nineteenth century American literature and culture into conversation with modern art movements from around the world *Ephemeral Bibelots* provides new ways of thinking about the centrality of various media cultures to the attribution of aesthetic innovation and its staying power
