On Gods Doorstep The Lazarus Experience:

On God's Doorstep John H. Langlois, 1998 Raising Lazarus Darlene Marcusson, 2017-03-02 Is a true story of Gods miraculous love and power and how he gave a community the gift of grace If you want to be amazed and have your faith affirmed join the journey as God raises Lazarus I wrote this book because God impressed upon me how important it was to share this true story of miracles I know its true because I lived every day of it Since giving my life to Christ at the age of 15 I have been on a journey with Jesus I have strayed off the path often he never has Each time I got back to doing it his way he was ready to trust me with a new assignment Every ministry opportunity has taught me important lessons that helped me on the journey leading up to Lazarus House God stands ready to raise Lazarus every day Be open to His power and love in your life and see what miracles will happen **God Knows** Pastor Charles L. Orr, 2018-07-25 GOD KNOWS Wisdom for Everyday Living is spiritual nourishment for our souls in the challenges that life brings Pastor Orr reassures us of God s undying love for us with a sense of promise and adventure wit and wisdom A Gentler God Doug Frank, 2020-07-09 What is God like Is he the lofty Almighty of conservative religion with power to stop heartbreaking human holocausts and deadly natural disasters but who inexplicably declines to do so Is he the callous Judge offering the faithful a place in his heaven while summarily casting the faithless into everlasting hell Is he the vain King on his throne requiring us to stroke his ego by praising him unceasingly for his awesome power If this is the God we have been taught it is no wonder that many people have come to realize that they do not like let alone trust him The simple certainties of their childhood no longer make sense But the equally assured assertions of today s atheists also leave them cold They want a personal connection with God an honest faith that grows out of their own felt truth and touches them at the deepest levels of their being This book points the way It dismantles the angry punitive God of traditional Protestantism and beckons us toward a kinder more welcoming God This God does not ask us to grit our teeth and try our best to believe Instead this God meets us in our humanity inviting our hearts to respond in genuine trust and love **Living Wisely with the Church Fathers** Christopher A. Hall, 2017-11-07 Early Christians lived in a culture not unlike our own in love with empire infatuated with sex tolerant of all gods but hostile to the One Christopher Hall takes us back to that time conversing with Christian leaders around the ancient Mediterranean world and exploring how this cloud of witnesses challenges us to live an ethical life as a Christ follower Healing Affluenza and Resisting Plutocracy Ched Myers, 2025-01-21 Myers brings a well honed interpretive eye to a thematic study of Luke s Gospel He reads synoptically the crisis of socioeconomic disparity in Jesus s world and ours and proposes powerful analogies that can build social imagination and animate personal and political practices for systemic change and justice among communities of faith today There has been a revival of interest over the last half century in the Third Gospel s focus on issues of poverty and wealth However most exegetical or homiletic work by scholars and preachers of the Global North has been constrained by middle class social assumptions which inevitably domesticate Jesus s radical teaching and practice To counter

this Myers argues that Luke's literary arc and individual representations are best interpreted through the lens of Sabbath Economics in the Hebrew Bible. He then brings socio-literary analysis and engaged commentary to bear on Luke's wise old stories correlating his narrative structures and symbols to systemic political and economic issues then and now. Luke's unique material and how he redacts Mark and Q reveals his unequivocal critique of socioeconomic disparity. Myers closely examines footprints and demonstration projects of Sabbath Economics in the first half of Luke then considers archetypal characters, somatic representations and socially contrasting scenarios of rich and poor in the second half. His approach deploys sociological exegesis, literary analysis and liberation hermeneutics to recover Luke's story of Jesus in its historical context and its relevance to ours. A small town prophet struggles against an imperial political economic system that is bringing the extractive exploitive rule of Mammon to occupied Palestine and shows and tells how regular people can resist the rule of the one percent by embracing the Great Economy. Myers includes suggestions for preaching Luke in Year C and offers resources on economic equity organizing for our own Gilded Age.

Discovering Lazarus By John Kelly with Jenny Grace, 2020-12-29. *Discovering Lazarus* is one man's attempt at finding

redemption from his evil way of life I started my descent into a dark abyss while in my teen years and it continued until I was thirty two years old and homeless I lost everything my home my wife my cars trucks and my businesses Self destruction and exhaustion coupled with financial ruin despair and depression led me to a point where I found myself on my knees I found myself in St Francis Church in Metuchen New Jersey asking for forgiveness from God and praying for a second chance at redemption and a new life I prayed God I am sorry for abandoning you and living an evil life Please forgive me and take control of my life and direct it for me If you won t do this for me O Lord please take my life from me and let me die God was listening and heard my pleas for atonement redemption and a second chance He helped me rise up from the ashes of spiritual death so I could begin to help others in many different ways I became a nationally known addiction counselor who in partnership with my wife Marilyn opened several extremely successful outpatient counseling centers in New Jersey Over a twenty five year period our counseling centers helped thousands of families experience recovery from destructive addictive illness However it was only the beginning of God s planed journey for me I also became an international criminal profiler who hunted some of the most evil serial killers in the world

a variety of perspectives including historical pastoral social cultural and artistic themes Taken together these chapters present another crucial step along the route of authentic liturgical renewal in the contemporary world

Poverty in the Theology of John Calvin Bonnie L. Pattison,2006-11-01 It is the thesis of this study that in Calvin s theology poverty and affliction not splendor and glory mark and manifest the kingdom of God on earth Poverty makes the kingdom visible to the eyes and therefore recognizable as divine Poverty acts to reveal or disclose that which is spiritual or that which is of God in the Christian faith This does not mean that Calvin sees the condition of physical poverty as revelatory in and of itself Rather poverty and affliction function as agents of divine revelation They are a condition or a chosen instrument God uses to disclose to humanity the nature of true spirituality godliness and poverty of spirit How this is demonstrated in Calvin s thought depends upon the specific doctrine under examination This study explores three particular areas in Calvin s theology where his theological understanding of spiritual poverty and physical poverty or affliction intersect his Christology his doctrine of the Christian life and his ecclesiology
